### RETROUVE

The Katanthos challenges the nuptials that have  
between the couple's family, signifying that it  
married life. The weakness of the one will be  
compensated by the strength of the other.

### JOINING OF HANDS

The priest joins the couple and their family's right hands,  
and their hearts joined throughout the service to  
remember their vows.

### CROWNING

A couple holds a wreath (two crowns, called *koronai*)  
together as a symbol of unity. When the priest  
places them on the bride and groom's heads, they  
are crowned by God as King and Queen of their  
home. The crowns are exchanged three times by the  
bridegroom.

### COMMON CUP

The bride and groom drink from the same cup of  
wine, an important step by sharing all of life. Their  
cupcakes will double and their hearts will be  
one half as one.

### DANCE OF ISHAI

The priest leads the couple in a ceremonial walk,  
with the Katanthos following closely behind to  
support. This is when the priest's first kiss is on  
a married couple.

### THE BLESSING

The priest says a prayer for a long and happy life  
for them and their family. He then blesses the Holy-  
sacred, blessing it with his hands. They remember  
that only God can separate them from  
one another.
