 2. Show how belief or faith is represented in at least two of the literary works you have studied and discuss how this aspect might be interpreted or understood in different historical, cultural or social contexts.
 3. Why are the works you have studied considered "literary" texts? Identify and discuss some of the features that make at least two of the texts you have studied literary.
 4. In what ways is the reader seduced or comforted by the ideas in the works studied and in what ways challenged or alienated? Refer to at least two of the literary works you have studied.
 5. Context – historical, cultural or social – can have an influence on the way literary works are written or received. Discuss with reference to at least two of the works you have studied.
