

If you run out of space

4

If you run out of space in your answer booklet, ask the invigilator for a new booklet and complete your present booklet and name on the front page. If you are continuing with an answer that you started in your first booklet, write the question number again in the new booklet before continuing with your answer.

If you need to go back and write more for any of your answers at any stage, go to the end of the last answer that you wrote in your answer booklet, to the next available space, fill in the question number again and then continue your answer.

Things important to know

- ✓ Write your candidate answer number.
- ✓ Read the 10-point contact of the examination centre in confidence. If you have any questions about what it says, contact the examination centre.
- ✓ Take only authorised material into the examination room. If you are found in possession of unauthorised material (for example, notes, a mobile/old phone) you may be mistaken for a candidate who has breached the Regulations.
- ✓ Write in blue or black ink only, and use soft pencil for graphs and diagrams. The use of colour is only permitted in geography examinations.
- ✓ Don't show through any plan or working out that you do not want marked.
- ✓ At the end of the examination, place the books marked below together in the following sequence:
 - the blue cover sheet at the front
 - the examination paper that says if this is the final of examination papers in which you write answers
 - the answer booklet(s)
 - unused paper (unless it shows any answer to a question)
 - graph paper

Answer Booklet Guide

1

Introduction

This guide has been produced to help you as a candidate become familiar with the answer booklet in Bilingual Programme and BCC examinations.

What does the answer booklet look like?

Each booklet consists of two pages. On the top of the first page there will be lines in which to indicate your pencil number and name, along with brief instructions on how to correctly write question numbers. The remainder of this page and of other pages, are for you to write your answers to examination questions. Please remember to write your answers on the lines, keeping within the large grid box on each page. Inside the lines the page answers are small boxes in which you must write the number of each question you answer.
