Islam An Introduction:

Islam Annemarie Schimmel, 1992-05-14 The topic is becoming more significant because Islam is the most rapidly growing religious in the world This book provides a thorough and sophisticated but at the same time clear headed and reliable overview Kevin Lacey [Understanding Islam](#) Thomas W. Lippman, 1982 A guide to the teachings history and practices of Islam and its influence on current world affairs *Islam* Yusuf Qaradawi, 2010 **Islam** James A. Beverley, 2011-04-18 An essential and succinct introduction to the culture history and practices of the world's second largest religion Next to Christianity Islam is the largest religion in the world One out of every six people in the world is Muslim Like Christianity it's monotheistic belief in one God it has a holy text and an ethical or religious law Like Christians Muslims are devoted to religious activities like prayer and fasting And yet many Christians feel at a loss to understand this neighboring system of faith Professor James A Beverley provides answers to questions many Christians have about Islam in this short and readable book Islam clearly lays out responses to topics such as What Muslims think about God the world and their place in it How Muhammad established a religion that now stretches around the world How different groups within Islam define Jihad Why Palestine is important to Muslims What roles women play in different Islamic communities And how Christians should relate to Muslims Features include Glossary of terms related to Islam A list of Frequently Asked Questions for easy reference Topical bibliography for further study *Shi'i Islam* Najam Haider, 2014-08-11 During the formative period of Islam in the first centuries after Muhammad's death two particular intellectual traditions emerged Sunnism and Shi'ism Sunni Muslims endorsed the historical caliphate while Shi'i Muslims supporters of Ali cousin of the Prophet and the fourth caliph articulated their own distinctive doctrines The Sunni Shi'i schism is often framed as a dispute over the identity of the successor to Muhammad whereas in reality Sunni and Shi'i Muslims also differ on a number of seminal theological doctrines concerning the nature of God and legitimate political and religious authority This book examines the development of Shi'i Islam through the lenses of belief narrative and memory It also covers a wide range of Shi'i communities from the demographically predominant Twelvers to the transnational Isma'ilis to the scholar activist Zaydis The portrait of Shi'ism that emerges is that of a distinctive and vibrant community of Muslims with a remarkable capacity for reinvention and adaptation grounded in a unique theological interpretation of Islam **Islam** Paul Varo Martinson, Christians of all denominations will find reliable and up to date information on Islam and its relationship to Christianity in this carefully researched and clearly written guide Ideal for both individual and group study use it provides an excellent and informative introduction to the subject **Islam** Catharina Raudvere, 2014-11-19 Many existing introductions to Islam focus predominantly on the Middle East and on historical background at the expense of Islam as a lived faith Assessing Islam as a truly global phenomenon Catharina Raudvere engages thoroughly with history explaining the significance of the revelation of the Prophet Muhammad and the origins of the different Sunni and Shi'a groups within Islam while also giving full and comprehensive coverage to Muslim

ritual life and Islamic ethics She discusses moral debates and modern lifestyle issues such as halal consumption interfaith dialogue and controversy over the wearing of the veil Diaspora communities are considered with a view to showing how norms and doctrines are understood and sometimes contradicted in social and ritual practice In addition the author focuses on the meaning and continuing application to modern life of the Quran and hadith as sources for Islamic theology kalam and jurisprudence fiqh The book gives much attention to questions of universal values Islam and democracy gender issues women s rights and pluralism contrasting the thinking of Jihadists and radical Islamism with liberal reformist voices within Islam

An Introduction to Islam in the 21st Century Aminah Beverly McCloud, Scott W. Hibbard, Laith Saud, 2013-01-02 This engaging introduction to Islam examines its lived reality its worldwide presence and the variety of beliefs and practices encompassed by the religion The global perspective uniquely captures the diversity of Islam expressed throughout different countries in the present day A comprehensive multi disciplinary and global introduction to Islam covering its history as well as current issues experiences and challenges Incorporates key new research on Muslims from a variety of countries across Europe Latin America Indonesia and Malaysia Central Asia Directly addresses controversial issues including political violence and terrorism anti western sentiments and Islamophobia Explores different responses from various Islamic communities to globalizing trends Highlights key patterns within Islamic history that shed light upon the origins and evolution of current movements and thought

Understanding Islam Thomas W. Lippman, 1995-09-01 A little over thirteen centuries ago the prophet Muhammad converted a few Arab desert tribes to the belief in a single god Allah thus founding the religion of Islam Within a century that belief had created one of history s mightiest empires and today Islam continues to shape events around the globe This comprehensive guide offers an informative and insightful introduction to Islam both as a religion and as a political economic force It tells the story of Muhammad and the rise of Islam outlines the sacred book the Koran explains the five pillars of faith explores the interplay between religion and government describes the differences that divide Islam and above all shows the influence of Islam on world affairs This second revised edition provides crucial new material on the Islamic community today including discussion of the Gulf War and the Salman Rushdie affair the rise and ebb of fundamentalist fervor in Iran Algeria and elsewhere and the relationships among different factions of the Islamic faith There are also updated descriptions of internal politics in Syria Egypt Pakistan and other Islamic nations Complete with glossary bibliography and index
