Review Packet

Created by Jacob Clifford

Thank you for supporting my YouTube channel by purchasing this resource. This is not designed to replace your teacher, professor, or textbook, but I guarantee that practicing with this resource will improve your understanding of economics.

-IMPORTANT -

There is no one giant PDF. The packet has been broken up into smaller PDFs in each unit to make it easier to print what you need. The "packet" I am holding in my videos includes the study guides, practice sheets, and practice exams, but, to save ink, you probably don't want to print all of those out.

As you go through each unit, make sure to pause the videos often and fill out the blank unit study guides and answer the practice questions for each unit. The answers to the study guide questions are included in this packet but are not downloadable.

As a personal favor to me, please do not post this online or give it away to your friends. Again, thank you so much for your support. Good luck!

NOTE TO TEACHERS

Do not use/distribute any of these resources or show these videos in class unless you have purchased a license.
