The Vietnam War

During the 1950s and 1960s, the United States fought another war against Communist forces in Asia—the Vietnam War. Vietnam is a country in Southeast Asia. It was divided into two sections—South Vietnam and North Vietnam. South Vietnam was controlled by Communists, and North Vietnam was controlled by a government friendly to the United States. The communists in North Vietnam wanted to take over South Vietnam.

South Vietnam Allies	North Vietnam Allies
United States	Soviet Union
Australia	China
Thailand	
New Zealand	Philippines

At first, the United States just provided aid and advice to South Vietnam. However, American soldiers were sent. By the end of the 1960s, the United States sent regular troops rather than just military advisors to Vietnam. Americans were divided over whether our soldiers should be involved in Vietnam. There were many protests against the war.

Protest in America

“Old Enough to Fight, Not Enough to Die”
 Protests about the Vietnam War continued in the offices of the 50th Anniversary of the U.S. Constitution. Protesters argued that if men could be sent to fight in America at 18, they should be able to vote at 18. The question “Should the voting age have been 18?”
