God Is Not Fair, Thank God! George E. Thompson, 2014-02-05 Life is not fair What does this reality imply about the nature of God and the destiny of human beings In this engaging book Thompson asserts that fairness is not an expectation of the faithful within the Judeo Christian Scriptures Biblical narrative discloses the mystery of a paradoxical deity that indwells with the suffering of creation and thereby provides a mercy that exceeds the evasive goal of fairness The process of healing and redemption of this cracked creation occurs through the tears and suffering of the biblical God whose authentic power is revealed within divine vulnerability and weakness The Jesus of history truly manifested the fullness of this paradoxical God for he disclosed the richness of the divine Being by emptying himself and taking the form of a redemptive servant When the church grasps for power and control avoids compassionate and costly ministries among the poor and powerless and renders primary focus upon gaining heavenly rewards it rejects its Christ centered mission relinquishes its paradoxical purpose and ceases to strive toward becoming an extension of the incarnation Thompson explores various paradoxical facets of each person of the Trinity and richly illustrates with stories from his vast experience as a parish theologian

Election is just not Fair! Moreno Dal Bello, 2015-08-12 For many people the doctrine of election is one that just does not make sense for it appears to contradict the teachings that God is Love and no respecter of persons It is even seen as a doctrine which shuts many people out of heaven who desired entry Thus it is concluded that the doctrine of election is just not fair that God would be unjust to select only some people to show His grace and mercy towards in granting the gift of salvation and simply leave the rest to themselves or worse still consign them to hell The real reason behind such a conclusion is the flawed foundation upon which these notions are based a foundation which says that man is not dead in sin as a result of the Fall but is merely a wounded soul with the ability and desire to seek and choose God intact The concept of free will stands in eternal opposition to the doctrine of free grace
