Maternal and Child Health Nursing A. Joy Ingalls, 1991 *Mosby's Tour Guide to Nursing School* Melodie

Chenevert, 2011 Encouraging user friendly and altogether unique Mosby's Tour Guide to Nursing School encourages you to not only survive nursing school but excel in whichever program you select Throughout the book Dr Chenevert compares your journey through nursing school to a road trip and she offers advice to increase your understanding help you successfully navigate obstacles and make your journey more enjoyable You'll learn how to prepare for the NCLEX R and your nursing career how to get good grades how to deal with failure how to improve oral and written reports and much more A must have for every nursing student Endorsed by the National Student Nurses Association NSNA Written by a nationally known motivational speaker and nurse the book's down to earth approach uses humor and clever analogies to clearly teach the information you need to know Uses the analogy of a cross country road trip to help you see the relationships between different aspects of nursing school as well as give you a finite view of its duration and end result Inspirational quotes throughout offer wisdom and encouragement from fellow nursing students and graduates The appendix lists numerous diverse resources you'll find useful before during and after nursing school Electronic Age Information covers distance learning online courses and podcasts facilitating your success both in today's electronic classroom and with the advancing technology in nursing A special NCLEX R chapter Chapter 29 Are We There Yet Almost provides you with the tools you need to prepare for and pass the NCLEX R Updated statistics and information on the emerging trends of the workforce keep you current with what's happening in the world outside nursing and help you make educated choices during nursing school Three

chapters are devoted to diversity in today's workforce and the non-traditional student. Thorough coverage of ADN, BSN, and RN-BSN programs, program prerequisites, differences, and more helps you make informed decisions about your choice of nursing programs. An appendix of Online Resources provides quick and easy access to web sites that will assist both students and graduates with continued study and real-world advice.

**Paperbound Books in Print 1995** Reed Reference Publishing, Reference Reed, 1995-12

**Infirmiere Canadienne**, 1978

**Introduction to Maternity & Pediatric Nursing - E-Book** Gloria Leifer, 2013-11-28. Part of the popular LPN Threads series, *Introduction to Maternity Pediatric Nursing* provides a solid foundation in obstetrics and pediatric nursing. An easy-to-follow organization by developmental stages, discussion of disorders by body system from simple to complex, and health to illness, and a focus on family health make it a complete guide to caring for maternity and pediatric patients. Written in a clear, concise style by Gloria Leifer, MA, RN, this edition reflects the current NCLEX test plan with additional material on safety, health promotion, nutrition, and related psychosocial care. Cultural Considerations boxes and a Cultural Assessment Data Collection Tool help in developing individualized plans of care. Updated health promotion content includes Health Promotion boxes focusing on preventive strategies for achieving prenatal wellness, health during pregnancy, postnatal health, and pediatric illness prevention and wellness, including the complete immunization schedules for all ages. Nursing Tips provide information applying to the clinical setting. Objectives are listed in each chapter opener. Key terms include phonetic pronunciations and text page references at the beginning of each chapter. Nursing Care Plans with critical thinking questions help you understand how a care plan is developed, how to evaluate care of a patient, and how to apply critical thinking skills. A companion Evolve website includes animations, videos, answers to review questions, and answer guidelines for critical thinking questions in English and Spanish, audio glossary, critical thinking case studies, and additional review questions for the NCLEX examination.
