

SAMPLE OF LETTER EXPLAINING LOW GPA

To the office of Admissions:

I want to sincerely thank you for taking the time to read and evaluate my application. I know that the application process is extremely competitive, and that each candidate is carefully considered in the light of all of their achievements. As such, I understand that grades and previous academic performance are highly important in the process of assessing the ability of an applicant to succeed at the challenging coursework and academic environment of college. My GPA may be lower than that of other applicants, but I believe that I can continue to succeed despite the setbacks I experienced which lowered my overall grade average. I am writing this letter to explain my personal situation and my low GPA in the hopes that it can be considered as part of my application.

During freshman year of high school, my parents had just moved from the big city into a rural community, and I found myself unused to the way of life, as well as socially isolated. Most of my classmates had known each other their entire lives, and new students were a rarity. As such, I found it hard to fit in, and my grades also suffered because of my mental state. However, one of my teachers noted my negative feelings and suggested that I participate in the after school robotics club. I found my passion there, and also made many new friends with similar interests. Afterwards, my grades improved drastically, and I emerged with the lesson that everything takes patience and the willingness to make a change.

Due to my poor performance during my freshman year, my entire overall GPA has suffered. However, as you can see from my transcript, I have had an outstanding track record of academic excellence since then. I hope that you will be able to understand my personal situation and know that I have grown to be wiser through my experiences. Thank you very much for your consideration in this matter.

Sincerely,
Owen Reyes
