France and was arrested several times by the police after his return to the Netherlands in 1940 Keenly aware that he was doing something important he started a diary in the summer of 1943 He hid some thirty five small notebooks in jam jars at safe houses in the vicinity of his base in Nieuwlande Drenthe After the war he dug the notebooks up and transcribed them adding several postwar sections with scrupulous notations Bob Moore has translated Douwes s diary into English for the first time and he and coeditor Johannes Houwink ten Cate have added a historical and contextual introduction annotations and a glossary for readers who may not be familiar with Dutch technical terms or places Organized chronologically and remaining largely as Douwes originally wrote it the diary sheds light on the successes and failures of this important Dutch rescue network
