Boller Jr. Emeritus Professor of History Texas Christian University, Oklahoma John George Jr. Professor of Political Science and Sociology Central State University, 1989-05-18 Abraham Lincoln never said You cannot fool all the people all the time Thomas Jefferson never said That government is best which governs least And Horace Greeley never said Go west young man In *They Never Said It* Paul Boller Jr and John George examine hundreds of misquotations incorrect attributions and blatant fabrications outlining the origins of the quotes and revealing why they should be consigned to the historical trashcan Many of the misquotes are quite harmless Some are inadvertent misquotes that have become popular Shakespeare actually said The best part of valor is discretion others the inventions of reporters embellishing a story Franklin Roosevelt never opened a speech to a DAR group with the salutation My fellow immigrants But some of the quotes such as Charles Darwin s supposed deathbed recantation of evolution are blatantly dishonest and falsify the historical record And others are chillingly vicious filled with virulent racial and religious prejudices that completely distort the views of the person supposedly quoted and spread distrust and hatred among the gullible These include the forged remarks attributed to Benjamin Franklin that Jews should be excluded from America and the fabricated condemnation of Catholics attributed to Lincoln An entertaining and yet thought provoking book *They Never Said It* sorts out a great deal of history and sets it right going beyond a mere catalog of popular misconceptions to reveal how conservatives and liberals atheists and evangelists all have at times twisted and even invented the words of eminent figures to promote their own ends It is the ultimate debunking reference a perfect complement to handbooks of quotations      **Fools Rush In** Ed Gorman, 2013-12-31 On the eve of the March on Washington racial tensions flare in McCain s small town In the summer of 1963 freedom riders are crisscrossing the South Martin Luther King is preparing for a march on Washington and the people of Black River Falls Iowa are about to go to the polls Senator Williams is cruising to reelection when a blackmailer starts sending him photos of his daughter arm in arm with a handsome black student To save his campaign Williams hires private investigator Sam McCain to talk sense into the crook but the blackmailer is nowhere to be found until McCain discovers him behind his shack dead in the dirt with a handsome black corpse beside him TV crews arrive with the police to broadcast the horrible scene across the state As Black River Falls threatens to erupt into all out race war Iowa will have much more to worry about than Election Day Searching for the savage killer McCain learns that quiet prejudice can be the most dangerous kind of all      *WHEN FOOLS RUSH IN* WILLIAM RICHARD.
