Washington, D.C. Library of Congress. Copyright Office,1961 **Social Science Reference Sources** Tze-chung Li,1990
The second edition of this guide to basic reference sources in the social sciences contains nearly three times as many entries
2 200 as the earlier edition and also includes several other notable enhancements In addition to revising and substantially
enlarging the chapters on reference sources Li has further increased the usefulness of this reference volume by adding a
chapter on geography and one on business that is distinct from economies Since the publication of the first edition there have
been two obvious developments in information storage and retrieval the rapid development of online databases and the
development of CD ROM Instead of devoting a separate chapter to these developments the book incorporates online
databases CD ROM and other forms of data sources into the text In addition there is a brief introduction to these
developments Although the general deadline for inclusion in the volume was December 1988 quite a few titles published in
1989 are included Books and Pamphlets, Including Serials and Contributions to Periodicals Library of Congress.
