

Program Overview
 The Bachelor of Education program is designed to prepare students for careers in the education field. It includes coursework in education theory, practice, and research, as well as a mandatory student teaching experience.

Program Objectives
 Graduates will be able to demonstrate a deep understanding of educational theory and practice, and to apply this knowledge in a variety of educational settings.

Admission Requirements
 Applicants must have completed a minimum of 60 credit hours of university-level coursework, including a minimum of 12 credit hours in education-related courses.

Program Structure
 The program is a four-year undergraduate degree. The first two years focus on general education and education theory, while the last two years focus on education practice and student teaching.
