

Part 1: Our Goal (1 minute)

Before you begin, read the options and check the one goal your group will focus on for this conversation.

	Our Goal for This Conversation
<input type="checkbox"/>	Equal Voices: We will make sure every person in our group contributes to the discussion.
<input type="checkbox"/>	Text Evidence: We will use at least two direct examples or quotes from the story to support our ideas.
<input type="checkbox"/>	Deeper Questions: We will ask at least two follow-up questions to a classmate's comment (e.g., "Can you say more about that?" or "Why do you think that?").

Part 2: The Conversation (5 minutes)

Kick-Off (~2 minutes)

Start your discussion here. Choose ONE question to begin.

- The headmistress changes the girls' names because they are "too hard for me." What does this small action reveal about her attitude toward Indian culture?
- How did you feel when Premila and Santha's names were changed to Pamela and Cynthia? Why are names so important?

Digging In (~2 minutes)

Discuss the central conflict. Use the text to support your points.

- Besides the name change, what other "rules" or moments at the school clash with the sisters' culture? (Think about food, classroom seating, and games.)
- Why was the teacher's comment during the test—"because Indians cheat"—the final straw for Premila? What makes this prejudice different from the other conflicts?

The Takeaway (~1 minute)

Connect back to the big idea to wrap up.

- At the end, Santha says the events "had all happened to a girl called Cynthia." What does she mean? How does creating "Cynthia" help her process the injustice?

Part 3: Our Reflection (1 minute)

After your conversation, quickly reflect as a group.

1. How well did we meet our goal? (Check a box.)

Instructional Conversation Guide:

The K-3 Guide to Academic Conversations Jeff Zwiers, Sara Hamerla, 2017-10-25 For thousands of years people have been using the skills we describe in this book to engage in conversations with others. What isn't as prevalent however is instruction especially in primary grades in which we engage students in productive conversations about academic ideas. This book fills that very big need. Jeff Zwiers, Sara Hamerla. Talk about content mastery. Primary teachers you won't want to miss this if you're looking for a single resource to foster purposeful content discussions and high quality interpersonal engagement. Then put Jeff Zwiers and Sara Hamerla's K-3 Guide to Academic Conversations at the top of your reading list. Whether your students love to talk or not, all must be equipped with key conversation skills such as active listening, taking turns, posing, clarifying, supporting with examples, and arguing ideas. This ready resource comes packed with every imaginable tool you could need to make academic conversations part of your everyday teaching. Sample lesson plans and anchor charts. Guidelines for creating effective prompts. Applications across content areas with corresponding assessments. Rubrics and protocols for listening to student speech. Transcripts of conversations and questions for reflection. Companion website with video and downloadable resources. Tens of thousands of students in the upper grades have reaped the benefits of academic conversations: high quality face-to-face interactions, increased motivation, stronger collaborative argumentation skills, and better understanding and retention of content. The K-3 Guide to Academic Conversations is that resource for providing your primary students with the same powerful learning opportunities.

Rating Instructional Conversations Robert Rueda, 1992 *Handbook of Conversation Design for Instructional Applications* Luppici, Rocci, 2008-01-31 Given the rapid growth of computer-mediated communication, there is an ever-broadening range of social interactions. With conversation as the bedrock on which social interactions are built, there is growing recognition of the important role conversation has in instruction, particularly in the design and development of technologically advanced educational environments. The Handbook of Conversation Design for Instructional Applications presents key perspectives on the evolving area of conversation design, bringing together a multidisciplinary body of work focused on the study of conversation and conversation design practices to inform instructional applications. Offering multimodal instructional designers and developers authoritative content on the cutting edge issues and challenges in conversation design, this book is a must-have for reference library collections worldwide.
