- Examine the nature of totalitarianism, and the conditions that can give rise to it. This paper should examine what distinguishes totalitarianism from other forms of government. Look at examples of totalitarian governments to see why they came to power and held onto it. The end of totalitarian regimes should also provide insight to the conditions necessary to their success.
- What were the main waves of immigration into the United States? Why did the countries of immigrants' origin change over time: what was going on in the world at the time?
- History of Japanese theater, Kabuki.
- How is the Internet reshaping what we mean by culture, or the daily living habits of people? Use some case examples. What implications does this have for individuals, organizations, and society?
- Johann Sebastian Bach: The master and his works.
- History of Dyestuff Industry.
- China: The Early Empires.
- The invention of the negroes.
- Examine the impact of nationalism on the political system in a country of your choice. How does the group involved define itself and what are the end goals that nationalism is used to justify? Are there competing groups, each uses nationalism to justify certain political goals? In these discussions, you should be aware that nationalism can have different manifestations and objectives. Also, there can be positive and negative
