

WCT

The Power of Three for Persuasion

To use the power of three to write persuasive sentences.

WCT

The Power of Three

The power of three is when we use three adjectives to describe something.
*The forest is **lush, green, and magical.***

People are more likely to pay attention and remember when information is given in threes.

We can use the power of three when describing something and when trying to persuade someone.

WCT

The Power of Three

When we use the power of three, we can use it in a sentence opener or in the middle of a sentence.

***Beautiful, relaxing and quiet** beaches are waiting just around the corner.*

***Spacious, modern and convenient** five-star hotels are all just a stone's throw away from the heart of the city.*

Practice these sentences or the power of three in a sentence opener.

WCT

The Power of Three

and		enjoyable
often		and
well known		fantastic
great		cheap

We can use our three adjectives to form a sentence using the power of three to persuade someone against learning our lesson here.

WCT

The Power of Three

Practice some of these sentences and include the power of three.

Wouldn't you like to experience a **luxury, spacious and bright** holiday? The hotel is the **best, most relaxing and most** you've ever seen before with its state of the art facilities. It is **absolutely** perfect. If you don't visit, you will be with **regret** for the rest of your life.

 Talk to your partner.

WCT

The Power of Three

Wouldn't you like to experience a **beautiful, relaxing and quiet** holiday? The hotel is the **best, most relaxing and most** you've ever seen before with its state of the art **spacious and convenient** facilities. **Luxury, spacious and convenient** is waiting for you behind those hotel doors. If you don't visit, you will be with **regret, sorrow and envy** for the rest of your life.

Use any type of literary techniques, we shouldn't use too many sentences which use the power of three.

If we use it too much, our writing can become predictable for the reader and it can lose its impact.
