The Winner'S Guide to Drafting a Fantasy Football Team Chris Lee, 2009-08-06 Fantasy football has become one of my favorite pastimes of tens of millions of American males and there are literally hundreds of websites books magazines and television shows designed to tell you everything you need to know about the subject Almost everything that is Anyone who has ever tried to find a definitive way to rank players for their fantasy draft or worse find dollar values for auction style

leagues knows the difficulty of finding a system that works for their leagues Because leagues vary according to size rules and scoring systems a player who may be a valuable commodity in one league may be below average in another Therefore the one size fits all rankings or valuations that you see most places can be useless And even if those rankings were designed specifically for leagues like yours values and rankings are normally assigned in a subjective manner without any mathematical evidence to support the author s case

The Winner s Guide to Drafting a Fantasy Football Team has a timeless solution to the problem of finding customized and accurate rankings and dollar values that work for any fantasy league Author Chris Lee explains what constitutes value and how that value can be translated to rankings and dollar values for any league in a common sense way that removes the guesswork that s at the foundation of most ranking and dollar valuation systems Simply put if you know what kind of statistics a player is going to produce in the coming year you ll know where to draft him or how much to pay for him at your draft This proven system has helped Chris win many leagues By following the steps in this book you can build a spreadsheet that will help you win yours as well

Coaching Football Technical & Tactical Skills Coach Education,2006-05-30 As a coach it is often cause for concern to see your athletes performing skills well in practice but struggling in the game Coaching Football Technical and Tactical Skills focuses on the situational decisions players and coaches make that often determine the outcome of games Written by the American Sport Education Program ASEP in conjunction with Rob Ash the head football coach at Drake University this book allows players to gain valuable gamelike playing experience in practice by putting them in key tactical situations like the scramble man to man and zone pass coverage and onside kick Each skill is clearly described and nearly 150 photos are used to further help you understand and implement the techniques in specific situations Included are quick tips on how to detect and correct errors cues athletes need to be aware of in various tactical situations and key information your athletes need to know to make the appropriate decisions on the field Skills are cross referenced to show how they relate to each other and to enable you to plan practice situations quickly Eight detailed practice plans incorporating gamelike situations and a season plan are included to help you get the most out of each practice Endorsed by the American Football Coaches Association AFCA Coaching Football Technical and Tactical Skills serves as a companion resource for ASEP s Coaching Football Technical and Tactical Skills online course which along with Coaching Principles and Sport First Aid courses and CPR certification makes up the curriculum for ASEP s Bronze Level coaching certification program Numerous state high school associations colleges and universities national sport organizations and national governing bodies of Olympic sports use the Bronze Level in whole or in part to qualify coaches The Bronze Level prepares coaches for all aspects of coaching and is a recognized and respected credential for all who earn it
