

THE ASCENT OF EVEREST

THE OUTRAGEOUS ADVENTURES OF GRAFTON EVEREST

The major series of four satirical novels charts the rise of the insecure and self-indulgent university lecturer - Doctor Professor Grafton Everest - from the corridors of a provincial Australian campus to the international corridors of power. How did this hapless, middle-aged, and somewhat stupid man manage to rise to the world without incident? And who were the mysterious persons that orchestrated his inexplicable rise from obscurity to world leadership?

The *Ascent of Everest* is an epic satire that covers politics, academia, media, culture and sex.
