Journey in the Spirit Arthur Winarczyk, A new look at understanding mysteries of the Hebrew God Understanding that does not rely on miracles or virgin birth The author alleges only in the spirit an altered state of perception can the Bible and Koran but true of some Buddhist works be understood properly and made sense of Most of the Old Testament is a history of a people Few parts are from the spirit Explanations about most mysteries in the Bible and the keys to the kingdom of heaven This book will expand your scope in appreciating the Hebrew God Life in the Spirit is a mystery of old an experience of the Hebrew God direct Not an easy thing Not for everyone This book is not fiction but the author s opinions may be part of the book Many Christian churches claim God is the Father and Son and Holy Spirit But in the New Testament it is written The Father is greater than I If the early church understood the mystery of the Hebrews there would not have been a Spanish Inquisition or the Crusades Saint Paul who some historians don t accept as a Christian tried to teach his congregations not to think in a carnal way about the Hebrew God That is very hard for people to do and even today it is something most religions can t do Take Do not commit adultery It actually refers to worship of idols That s why it is essential not to think in a carnal way about the gospels Take the story of Mary Magdalene Nothing to do with Mary being a sex worker It is related to the practice that emerged at the time of Jesus when Biblical Laws replaced the Laws of Moses and the spiritual way of life

Children of an Everlasting Heaven Arthur Winarczyk, 2021-05-24 They were as different as the creatures of the sea are to the creatures of the land They were a people in the spirit and children of their God Among them a stranger is born who teaches The Way of the Holy Spirit Against the background of a genuine legal scam in Australia and romance between Darth and Helen Jewish and other Life in the Spirit techniques are presented in the form of stories Especially of groups known as Noble Ways Such are into themes across the mystical plane a form of virtual reality strong mental interactions Helen is a Jew Darth isn t The two hit it off The first novel that tried to explain Life in the Spirit in a simple way by using a romantic setting In hindsight the novel is a stepping stone only into a higher awareness of Life in the Spirit An Appendix includes The Third Testament

The Way of Immortals Arthur Winarczyk, 2017-04-20 Not really a spiritual fantasy A novel that explains a way of Life of a community of psychics In the current generation they are of the view one of their own is the Holy Spirit Not hard to understand if you follow the story line The Way of Immortals is a teaching they use to teach their own about life after death how a being awakens and what happens next
