page 100 first then 98 then 96 etc to test your memory with the shuffled addition facts It s a good idea to skip around sometimes when working with the shuffled addition facts so you learn the facts instead of memorizing the order of the answers The answers from the two sides of a page coincide in position and the book is printed on 60 white paper so that you can t read through the page to see the answers instead you turn the page to check the answers     **SWYK on the Common Core Math Gr. 3, Flash Cards** Show What You Know Publishing,2013-09-01 Each deck of Show What You Know on the Common Core Mathematics Flash Cards includes 90 cards The front of each flash card presents a question aligned to a Common Core standard which is noted on the top left corner of the card On the back of each card the correct answer to the multiple choice question is given along with an analysis explaining why each choice is correct or incorrect     *MePro Big English Level 3 Flashcards* Mario Herrera,Mr Christopher Sol Cruz,2018     Summer Skills Flash Cards Grade 3 Flash Kids,2010-04-25 At the beach or on the road learning can happen wherever you are this summer Every card in this full color deck includes a reading and a math problem that reviews a skill learned in third grade or introduces a concept that will be taught in fourth grade With Summer Skills Flash Cards your child will be ready to go back to school with confidence     **11+ Vocabulary Flashcards - Ages 10-11** CGP Books,2020-08-26
