Perceptions of Crowding and Discrimination at Two National Forests in Southern California Deborah J. Chavez,1993 **Computer Buyer's Guide and Handbook** ,2000-07 **Mountain Biking, Culture and Society** Jim Cherrington,2024-02-15 This book represents the first critical examination of the social cultural and political significance of mountain biking in contemporary societies Starting from the premise that cultures of mountain biking are diverse complex and at times contradictory this book offers practical and theoretical insights into a range of embodied material and socio technical relationships Featuring contributions from an interdisciplinary team of researchers artists and Indigenous community members with backgrounds in sociology anthropology cultural studies community development and coaching chapters critically unpack the complex and contested nature of mountain biking identities bodies environments and inequalities within specific settings Via a range of international case studies from England Scotland America Canada New Zealand and South Africa authors highlight how tensions and conflicts in the world of mountain biking initiate important conversations about climate change colonialism discrimination and land use This is essential reading for academics and practitioners in sociology cultural studies sport for development and human geography **General Technical Report NE** ,1980 **Tibet** Michael Buckley,2018-07-05 This new thoroughly updated edition of Bradt s Tibet encompasses the wider region of ethnic Tibet with more detailed coverage of the Amdo and Kham regions than is found in other guides It also includes essential information on new border openings and is particularly strong on map data which is extremely difficult to find in Tibet itself including new theme maps covering a range of topics from Tibetan regions to the Three Parallel Rivers UN World Heritage Sites sacred landscapes permafrost and major river sources Bradt s Tibet benefits from years of consistent research Michael Buckley has been visiting and researching Tibet for more than 30 years and has a raft of books to his name Thanks to his knowledge and expertise Bradt s Tibet offers a more extensive language appendix than is found in other guidebooks plus essential guidelines on cultural etiquette including a special section on hand gestures to use local customs

and travelling with minimum impact on Tibet's culture and environment There is also an appendix on fauna and an extensive list of recommended further resources including books music films and even virtual reality Exploring ethnic Tibet independently is a challenge The land of snows possesses the world's highest peaks including Everest and its deepest gorges as well as some of the wildest and roughest road routes in high Asia Bradt's Tibet provides all the practical information you need to explore ethnic Tibet independently whether motoring mountain biking or trekking Tibet has always fascinated travellers and armchair travellers because it is so difficult to access due to its remoteness and extreme altitude Now under Chinese rule Tibet is a sensitive destination for Westerners Visitors need all the information that they can lay their hands on and this guidebook provides plenty With flight routes and rail access to Tibet expanding and new border crossings opening Michael Buckley and Bradt's Tibet provide all of the information you need to make the most of a trip
