*Bricks Without Straw* Al Bruno Ph.D.,2021-02-24 What has happened to our youth How did it all go south so fast Hardly any of them give up a seat to an elderly person or a pregnant woman and profanity against bus drivers teachers police officers and everyone else has become a rite of passage Drug use and violence no longer strike fear in their hearts Even worse they re entitled believing everything should be theirs even if they have not worked hard for it Meanwhile parents have given up on parenting preferring to turn over their children to the government or society to be reared Al Bruno Ph D a longtime educator and former chaplain highlights the epidemics that have ravaged our youth in Bricks without Straw He offers guidance on how to take back our children guide them and teach them about the Lord prepare children for the difficult life they will face as adults teach children right from wrong instill a love of learning in children With youth crime surging a waning work ethic and children hurling insults at each other at every opportunity the stakes could not be higher Whether you re an educator parent grandparent or community leader you ll grasp the problem and find solutions in this book Al Muhajiroun Douglas Weeks,2020-03-27 Grounded in nine years of ethnographic research on the al Muhajiroun Ahlus Sunnah Wal Jamaah movement ALM ASWJ Douglas Weeks mixes ethnography and traditional research methods to tell the complete story of al Muhajiroun Beginning with three core events that became a primer for radical Islamic political thought in the UK Al Muhajiroun A Case Study in Islamic Activism traces the development of the movement form its incipient beginnings to its current status Based on his extensive interaction with the group and its leaders Weeks contextualizes the history beliefs methods and differences between ALM ASWJ al Qaeda and the Islamic State so that the group and the threat it poses is comprehensively understood **Conceding Composition** Ryan Skinnell,2016-09-01 First year composition became the most common course in American higher education not because it could fix underprepared student writers but because it has historically served significant institutional interests That is it can be conceded in multiple ways to help institutions solve political promotional and financial problems Conceding Composition is a wide ranging historical examination of composition s evolving institutional value in American higher education over the course of nearly a century Based on extensive archival research conducted at six American universities and using the specific cases of institutional mission regional accreditation and federal funding this study demonstrates that administrators and faculty have introduced reformed maintained threatened or eliminated composition as part of negotiations related to nondisciplinary institutional exigencies Viewing composition from this perspective author Ryan Skinnell raises new questions about why composition exists in the university how it exists and how teachers and scholars might productively reconceive first year composition in light of its institutional functions The book considers the rhetorical political organizational institutional and promotional options conceding composition opened up for institutions of higher education and considers what the first year course and the discipline might look like with composition s transience reimaged not as a barrier but as a consummate institutional value **Lone Star Politics** Ken Collier,Steven

Galatas, Julie Harrelson-Stephens, 2016-12-01 In Texas myth often clashes with the reality of everyday governance The Nacogdoches author team Ken Collier Steven Galatas Julie Harrelson Stephens of Lone Star Politics explores the state's rich political tradition and explains who gets what and how by setting Texas in context with other states constitutions policymaking electoral practices and institutions Critical thinking questions and unvarnished Winners and Losers discussions guide students toward understanding Texas government This Fifth Edition expands its coverage of civil rights in the state and includes the contemporary issues that highlight the push and pull between federal state and local governments

Board of Regents, 2009-07 **Records & Briefs New York State Appellate Division**, The General Statutes of Connecticut Connecticut, 2019 *As Professors Lay Dying* Jacques Berlinerblau, 2025-09-30 As professors in the United States are being paid less and less to teach more and more undergraduates prospective students need all the information they can get about receiving their tuition dollars worth About to choose a college About to make an investment that might exceed a quarter million dollars Worried about ideological indoctrination on university campuses Then you need to know a lot about professors There has been perhaps no worse time to be a scholar in the United States than now The misery experienced by the professoriate has immediate and dramatic effects on the education that undergraduates receive *As Professors Lay Dying* seeks to help you answer the following questions 1 How important are professors to my college education 2 How seriously do they take the responsibility of teaching undergraduates 3 What kind of professors are actually in the classroom working with American coeds 4 Is ideological indoctrination a real danger to the nation's matriculated youth 5 What kind of schools should a discerning college shopper look for 6 Ultimately why are professors so essential to the delivery of a first class education Colleges don't advertise the state of their faculty but it might be the most important factor in your decision This book pulls back the curtain on the profession that shapes the minds of the next generation **Mark Lane Express**, 1891 **Biennial Report of the Board of Regents** University of Texas, 1916 **Ethiopian Journal of Education**, 2014 **Slow Burn** R. Jisung Park, 2025-07-29

How the subtle but significant consequences of a hotter planet have already begun from lower test scores to higher crime rates and how we might tackle them today It s hard not to feel anxious about the problem of climate change especially if we think of it as an impending planetary catastrophe In *Slow Burn* R Jisung Park encourages us to view climate change through a different lens one that focuses less on the possibility of mass climate extinction in a theoretical future and more on the everyday implications of climate change here and now Drawing on a wealth of new data and cutting edge economics Park shows how climate change headlines often miss some of the most important costs When wildfires blaze what happens to people downwind of the smoke When natural disasters destroy buildings and bridges what happens to educational outcomes Park explains how climate change operates as the silent accumulation of a thousand tiny conflagrations imperceptibly elevated health risks spread across billions of people pennies off the dollar of productivity fewer opportunities for upward mobility By investigating how the physical phenomenon of climate change interacts with social and economic institutions Park illustrates how climate change already affects everyone and may act as an amplifier of inequality Wealthier households and corporations may adapt quickly but without targeted interventions less advantaged communities may not Viewing climate change as a slow and unequal burn comes with an important silver lining It puts dollars and cents behind the case for aggressive emissions cuts and helps identify concrete steps that can be taken to better manage its adverse effects We can begin to overcome our climate anxiety Park shows us when we begin to tackle these problems locally
