Gcse Exam Timetable 2013 All Boards:

Forward with Classics Arlene Holmes-Henderson, Steven Hunt, Mai Musié, 2018-08-09 Despite their removal from England's National Curriculum in 1988 and claims of elitism Latin and Greek are increasingly re entering the mainstream educational arena Since 2012 there have been more students in state maintained schools in England studying classical subjects than in independent schools and the number of schools offering Classics continues to rise in the state maintained sector The teaching and learning of Latin and Greek is not however confined to the classroom community based learning for adults and children is facilitated in newly established regional Classics hubs in evenings and at weekends in universities as part of outreach and even in parks and in prisons This book investigates the motivations of teachers and learners behind the rise of Classics in the classroom and in communities and explores ways in which knowledge of classical languages is considered valuable for diverse learners in the 21st century The role of classical languages within the English educational policy landscape is examined as new possibilities exist for introducing Latin and Greek into school curricula The state of Classics education internationally is also investigated with case studies presenting the status quo in policy and practice from Australasia North America the rest of Europe and worldwide The priorities for the future of Classics education in these diverse locations are compared and contrasted by the editors who conjecture what strategies are conducive to success

Starting to Teach Latin Steven Hunt, 2023-03-09 This book for teachers provides both practical up to date guidance and a theoretical overview on a number of key topics in Latin teaching Updated throughout this new edition includes information about and analysis of recent Latin textbook publications and curriculum developments across the globe Using a wealth of interviews observations and pupil transcripts Steven Hunt utilizes case study evidence of excellent practice in teaching and learning from a wide variety of institutions from outreach programmes community schools and academies in the UK and USA Offering practical advice on topics such as essay writing teaching controversial topics including women slavery ethnicity and social hierarchy making use of primary sources and using ICT to advance language skills this book also engages with broader questions of approach and theory These include a survey of the three main approaches to Latin teaching grammar translation communicative and reading approaches explanation of cognitive and social approaches to learning and analysis of the differences between intrinsic and extrinsic motivation Moreover traditional arguments about the value and purpose of learning Latin at school level are re examined in the light of current educational thinking and government policy making This book is invaluable for trainees newly qualified teachers and more experienced practitioners looking for practical ideas and strategies to motivate and engage learners of Latin
