

My aim in Life

"No matter where are you from , your dreams are valid."

An aim is something a person or business wants to do. It is a statement of direction that drives certain activities. There are 2 things to aim in life; first is to get what you want and second is after that to enjoy it. Life without aim is useless, aimless and pointless. Life is a great blessing of God. It should be spent on a purpose, with certain aim. Otherwise, there will be no difference between the life of man and that of animals.

*Life is not a bed of roses. It is the bed of thorns. It is full of hardships. We have to face calamities at every step. Aim is very important in our life. It is often said that life is a challenge and struggle. If we lead a successful life, we must have a definite and clear aim in view, so in order to make our lives great we should make great efforts. Robert Browning says, "**The aim if reached or not makes great the life.**" It provides direction to one's energies. It strengthens the man. It is a guiding principle. It urges man to head towards his goal. Without aim life is like a desert where no flower blooms. Life is olden times was simple. Man had to hunt for food, nothing more. But, now is a different time. We have new challenges to meet. We have new problems to solve. So, one should be ready for all these things. One can face life and its problems with a plan. Without a plan, life would be difficult to lead.*

There are as many aims as men. Some people want to be civil or military officers; other wish to be engineers and doctors. Many aspire to be lawyer and politicians. Some of them like to become poet and novelists. Some other wants to be artists and some wants to be a Teacher.

Aim differs according to the inclination of the people. so man should chose his aim that suits his taste. Otherwise he will fail in his life. My ambition is
