*Masque* W. R. Gingell, 2015 Beauty met the Beast and there was bloody murder It's the Annual Ambassadorial Ball in Glause and Lady Isabella Farrah the daughter of New Civet's Ambassador is feeling pleasantly scintillated In the library is Lord Pecus a charming gentleman whose double mask hides a beastly face and who has decided that Isabella is the very person to break the Pecus curse In the ball room is young Lord Topher who is rapidly falling in love with an older woman And in the card room lying in a pool of his own blood is the body of one of Isabella's oldest friends Raoul Civet's Head Guardsman The papers sewn into his sash seem to suggest espionage gone wrong but Isabella is not so certain Lord Pecus as Commander of the Watch is of the opinion that Isabella should keep out of the investigation and out of danger Isabella is of the opinion that it is her murder to investigate and that what a certain Beast Lord doesn't know won't hurt him Will Isabella find the murderer before Lord Pecus does or will she end her investigation as a bloody spatter on the parlour floor

**Spindle** W.R. Gingell, What is a maiden to do when her prince is not a prince her hair won't stop growing and someone has cursed her to sleep for 300 years In Polyhymnia's case it seems expedient to get up with the help of a kiss or two trailing her hair behind her and find out who did it Nothing quite works out as planned however Poly can't be sure if that's because she never seems to be able to remember things like the mysterious spindle that keeps showing up around her or if it's the fault of the wizard who woke her but never stops long enough to explain anything Poly is determined in two things One that she will find out who cursed her to sleep and meddled with her memories Two that she will absolutely not fall in love with the irritating wizard who seems to need to keep kissing her back into the real world Spindle is a fairytale retelling of Sleeping Beauty with a dash of Rapunzel If you love fairytales clean fantasy enchanters and magical villages not to mention Diana Wynne Jones Robin McKinley and Gail Carson Levine you'll probably love Spindle Blackfoot W.R. Gingell, 2017-08-01 Bad luck is the least of their worries Annabel has never wanted a cat She certainly didn't want a secretive sarcastic black cat who takes over her pillow and makes remarks that no one else ever seems to hear Despite that Blackfoot manages to slink into her life like a small furry shadow Now Annabel and her friend Peter are being over run by cats More and more arrive each day turning up at the old castle ruins where Annabel and Peter spend most of their time And some of those cats aren't as friendly as Blackfoot When someone tries to kill Annabel and a spell goes very badly wrong they find themselves trapped in the castle ruins which are now growing back at an alarming rate Even more alarming is the fact that the person who tried to kill Annabel is rapidly gaining control over the magical ruins Worst of all Blackfoot knows more than he's telling and what he's not telling could be enough to get them all killed *Wolfskin* W.R. Gingell, 2015-05-01 If you want adventure you have to march right up to it and kick it in the shins At fourteen barefoot and running wild Rose is delighted to be apprenticed to Akiva the witch of the forest She thinks it will be all enchantment and excitement and not so much fuss about baths The reality is much more sober and practical that is until she meets a mysterious wolf in the forest and is tricked into stepping off

the path In young naive Rose Bastian sees a way of escape Cursed to remain in the shape of a wolf after running afoul of a powerful enchantress he has lived many decades under a spell and now he is both desperate and ruthless But by breaking part of Bastian s curse Rose has caught the attention of Cassandra the enchantress who cursed him and Cassandra is by no means ready to forgive and forget Meanwhile wardens have been disappearing from the forest one by one Rose is certain that Cassandra is behind the disappearances but can she and Bastian get to the bottom of the matter before Akiva disappears as well And are Bastian s motives entirely to be trusted Sometimes the little girl in the red hood doesn t get eaten and sometimes the wolf isn t the most frightening thing in the forest *Wolfskin* is the Prequel Novel to the Two Monarchies Sequence Staff & Crown W.R. Gingell,2018-06-16 Three years have passed since Annabel defeated Mordion in the Royal Castle and became the Queen Heir of New Civet That s a good thing since the Castle spat her out three years into the past Three years of statecraft politics and meeting important people are over Now before she is officially acknowledged as the Queen Heir Annabel will face her biggest challenge Trenthams Finishing School for Young Ladies To win her Staff and Crown Annabel had to deal with a deadly foe a slightly self aware castle and a more than slightly potty wizard Now she will contend with corsets diets and sharp tongued socialites not to mention the Old Parrasian revolution that seems to be brewing in the bowels of the school itself In fact Trenthams might be even more dangerous and cryptic than the Royal Castle It s a good thing Annabel has the staff her cat and her trusty advisor Isabella *Charles I* Richard Cust,2014-06-11 Charles I was a complex man whose career intersected with some of the most dramatic events in English history He played a central role in provoking the English Civil War and his execution led to the only republican government Britain has ever known Historians have struggled to get him into perspective veering between outright condemnation and measured sympathy Richard Cust shows that Charles I was not unfit to be a king emphasising his strengths as a party leader and conviction politician but concludes that none the less his prejudices and attitudes and his mishandling of political crises did much to bring about a civil war in Britain He argues that ultimately after the war Charles pushed his enemies into a position where they had little choice but to execute him **Ceremony and Text in the Renaissance** Douglas F. Rutledge,1996 Ceremony and Text in the Renaissance is a contribution to the history of cultural semiotics in Early Modern Europe Prof Thomas M Greene s theoretical exposition introduces a series of articles that consider the interaction between literary production and ceremonial performance in the larger cultural text of the Renaissance The Renaissance engaged in a greater number of ceremonial performances than the preceding era but the Reformation had irrevocably altered the language of ceremony reducing its magical efficacy and diminishing its ability to inspire community According to Professor Greene the essays address one large but limited area of semiotic practice the social role of ceremonial performance during the early modern period examining the interplay between ceremonial and the narrative dramatic or poetic text *Resurrecting Elizabeth I in Seventeenth-century England* Elizabeth H. Wade,1996 *Court Masques of James I* Mary Sullivan,1913 **The Private Lives of the Tudor Monarchs** Christopher Falkus,1974 As with all monarchs who rule as well as reign the gap between the public and private lives of the Tudors is a narrow one The marriages of Henry VIII and the courtships of Elizabeth were affairs of state just as th business of government was in part a matter of the sovereign s domestic routine In another sense the Tudors had virtually no private life at all for privacy itself was a very rare commodity at Court From morning until night and through the night they were almost never alone accompanied as they were by servants ladies or gentlemen in waiting courtiers officials favourites place seekers Yet it is precisely this merging of the public and private which gives a special significance to an understanding of the monarchs as personalities for their characters temperaments tastes qualities defects accomplishments must be viewed in the context of an intensely personal style of government The selection of documents presented here is intended to reflect some of these aspects and to illustrate from contemporary material the less formal side of Tudor kingship preface p 7 Broken Fetters Charles Morris,1888 *Astraea - Yates* Frances A.
