Learners' Potential** Diane Staehr Fenner,Sydney Snyder,2017-05-16 A once in a generation text for assisting a new
generation of students Content teachers and ESOL teachers take special note if you re looking for a single resource to help
your English learners meet the same challenging content standards as their English proficient peers your search is complete
Just dip into this toolbox of strategies examples templates and activities from EL authorities Diane Staehr Fenner and Sydney
Snyder The best part Unlocking English Learners Potential supports teachers across all levels of experience The question is
not if English learners can succeed in today s more rigorous classrooms but how Unlocking English Learners Potential is all
about the how How to scaffold ELs instruction across content and grade levels How to promote ELs oral language
development and academic language How to help ELs analyze text through close reading and text dependent questions How
to build ELs background knowledge How to design and use formative assessment with ELs Along the way you ll build the
collaboration advocacy and leadership skills that we all need if we re to fully support our English learners After all any one of
us with at least one student acquiring English is now a teacher of ELs Schools are not intentionally equitable places for
English learners to achieve but they could be if the right system of support were put in place Diane Staehr Fenner and
Sydney Snyder recommend just such a system Not only does it have significant potential for providing fuller access to the
core curriculum it also provides a path for teachers to travel as they navigate the individual needs of students and support
their learning journeys Douglas Fisher Coauthor of Visible Learning for Literacy **101 Social Studies Activities for
