

IVA CHRISTINA SATNEY

MISS SAINT LUCIA

AUTOBIOGRAPHY

I am twenty year old Iva Christina Satney from the strikingly beautiful island of Saint Lucia. I reflect a varied personality including ambition, and the qualities of generosity and thoughtfulness. I am also a well determined and vigorous individual, yet pleasantly calm. I encourage fighting for what you desire and believe in, and doing it through God because nothing great comes easy and with God everything is possible.

I am a full-time student, motivated by my love for learning and succeeding as I strive to become an outstanding and successful woman in today's society. With the definitive goal of becoming a professional dancer, and owning a renowned Performing and Cultural Arts Institution in the Caribbean, I am currently completing the Bachelors degree Program in Business Management, at Monroe College Saint Lucia Campus and I am a senior member of the Silver Shadow Performing Arts Academy.

Through my passion for performing, I have embraced a fanatical interest in pageantry from an infant growing up, and so have participated in nine pageants; three of which were regional. Placing in the top three in all nine pageants, while being rewarded the Best Talent award in each, I have captured a few titles. I was the 2009 Miss Saint Lucia Carnival Queen and Miss Saint Lucia Independence, the first Saint Lucian to be crowned Miss Caribbean Easterval in 2009 and the 2006 Miss Saint Lucia Hal Jackson Talented Teen.

As a dancer and cultural activist, I have represented Saint Lucia at regional festivals; giving others the opportunity to embrace and appreciate who we Saint Lucians are as a people. Locally, I am involved in keeping our culture alive and as a role model; creating avenues for young individuals like me, which fosters the establishment and development of their talents that can ultimately benefit our society.

Apart from the above, I have kept a keen interest in cosmetology and enjoy reading, writing short stories and poetry, and most importantly spending time with my loved ones.

200+ Active Learning Strategies and Projects for Engaging Students □ *Multiple Intelligences* James Bellanca, 2009

What if Libyan terrorists obtained US\$36 billion worth of street ready heroin? White Monsoon is a codename for a plot by six Libyan terrorists to flood the United States with bargain basement priced heroin. This release intertwines two novels subtitled MORPHINE BASE set in March 1992 and PURE HEROIN around Halloween of the same year.

Scott I'm mad at you the voice in Xenia OH said. What's the matter Jim? What are you mad about? You sent me your book and I opened it started reading and couldn't put it down. I read it straight through and hardly got any sleep in three or four days. Then he laughed. No, you have really got something here. This is a wonderful story.

James H. Pee Wee Martin, 101st Airborne, 506th Parachute Infantry Regiment, 3rd Battalion, G Company.

Morphine Base is an intriguing, fast-paced collection of stories that weave together into an international thriller. One story line follows a group of Libyan terrorists with curious non-Muslim names as they weed out a Mossad informant in their midst, masquerade as members of the International Red Cross and transport five eighteen wheelers from Libya to Nimach, an acronym for Northern India Mounted Artillery Cavalry Headquarters, a town of about 150,000 known for the highest opium production in India. In another story line, Scott captures the world of the opium trade from both the licit and illicit sides of the coin by focusing on one group of licensed opium farmers and their interactions with vicious drug traffickers as they try to bring their opium harvest to market once again in Nimach. High ranking Mossad agents come across the pond to ask the help of old friends at the CIA's training facility nicknamed The Farm in Virginia. The Mossad want help finding a missing agent who had infiltrated a dangerous terrorist group and almost discovered the terrorists plot code named White Monsoon. Pure Heroin is aptly titled because it is the central theme around which the entire tale is spun. Heroin causes the three year old daughter and infant son of an educational programmer of personal computers to be kidnapped and taken to a remote prison built in a molybdenum mine abandoned by the Russians following their brief occupation of Afghanistan. Heroin causes the death of the daughter and husband of a woman who helps the terrified father. Wonderful people, the father and the woman who helps him find themselves drawn to each other with ever growing yearnings, visceral and deep as they try desperately to override their feelings and stay focused on finding out where the man's children have been taken.

This PG-13 yarn about two American heroes delights all ages according to some wonderful feedback. One twelve year old Indian boy gave it to his grandparents who looked forward to the book more than television and read the book to each other. This seems to be a trend. We're hearing from numerous couples they've been reading to their spouses or to their families once or twice a week and it's helping to bring people back to the dinner table. We've had people receive the book as a gift who were sad at first that they didn't get something by one of their favorite authors. One taxi driver from Oklahoma City wrote, I almost took the book to Barnes Noble to exchange it. I'm so glad I didn't. I read it while waiting in taxi stands and had it sitting in my passenger seat. I ended up giving it to a site locator for the movie industry who was looking for

farms for another twister movie and told the guy what a great low budget movie it would make

The Cowboy Capitalist Charles van Onselen, 2018-04-20 The Jameson Raid was

a pivotal moment in the history of South Africa linking events from the Anglo Boer War to the declaration of the Union of South Africa in 1910 For more than a century the failed revolution has been interpreted through the lens of British imperialism with responsibility laid at the feet of Cecil Rhodes Yet the raid was less a serious attempt to overthrow a Boer government than a wild adventure with transnational roots in American filibustering In *The Cowboy Capitalist* renowned South African historian Charles van Onselen challenges a historiography of over 120 years locating the raid in American rather than British history and forcing us to rethink the histories of at least three nations Through a close look at the little remembered figure of John Hays Hammond a confidant of both Rhodes and Jameson he discovers the American Old West on the South African Highveld This radical reinterpretation challenges the commonly held belief that the Jameson Raid was quintessentially British and in doing so drives splinters into our understanding of events as far forward as South Africa's critical 1948 general election with which the foundations of Grand Apartheid were laid

Literary Form as Postcolonial Critique
Katharine Burkitt, 2016-05-06 Focusing on works by Derek Walcott Les Murray Anne Carson and Bernardine Evaristo Katharine Burkitt investigates the relationship between literary form and textual politics in postcolonial narrative poems and verse novels Burkitt argues that these works disrupt and undermine the traditions of particular forms and genres and most notably the expectations attached to the prose novel poetry and epic This subversion of form Burkitt argues is an important aspect of the texts postcoloniality as they locate themselves critically in relation to literary convention and they are all concerned with matters of social racial and national identities in a world where these categories are inherently complicated In addition the awareness of epic tradition in these texts unites them as post epics in that as they reuse the myths and motifs of a variety of epics they question the status of the form demonstrate it to be inherently malleable and regenerate its stories for the contemporary world As she examines the ways in which postcolonial texts rewrite the traditions of classical epics for

the twentieth and twenty first centuries Burkitt ties close textual analysis to a critical intervention in the politics of form
