- 2. What are the methods and issues in Biblical interpretation?**

- 3. The traditional view of God, in contrast to the modern view...**
  - The Traditional view of God believes He can intervene in space-time history on occasion, and other lesser spiritual beings can intervene as well. Miracles are to be viewed critically (scientists can't prove if they're real or not)
  - The modern view of God believes limited/restricted and that miracles are impossible. God cannot intervene with space-time history.
