

REVISION FOR CUMULATIVE 1 – ACADEMIC WRITING – ANSWER KEY

Exercise 1.

1. These students miss not only their families but also the food and climates of their hometowns.
2. They have to cope with the stresses of both a new city and a new school.
3. They may feel neither secure nor comfortable in their new environment.
4. They may either adapt to their new lives or continue to feel lonely.

Exercise 2.

1. Every student **needs** to study hard for the upcoming exams.
2. Each one of my cats **loves** lying on my lap and playing with a ball of yarn.

Gateways For Academic Writing Answer Key:

Beyond the Academic Gateway Timothy Sibbald, Victoria Handford, 2020-09-01 Tenure is a pivotal decision for the academy. If it is earned, it provides security and permanence, creating further academic freedom to pursue research and interests important to the institution and to society. If it is not earned, then the peer review process provides clarification for why it has not been earned. This book brings together lived experiences of academics around the time of the tenure decision. While the book stands alone, it has the same collection of authors who wrote about their tenure track experiences in *The Academic Gateway*, making the pair of books a remarkable longitudinal collection. The authors explore the complex relationship between academics, the academy as an ideal, and universities as an enactment of that ideal. Personal growth is evident and shows diversity of experience as the maturing relationships with the role and workplace unfold. Where tenure track is a very personal journey, the period around tenure is necessarily a form of engagement with peers. Yet it has challenges, particularly in a milieu where academic freedom is being nurtured. Individual authors negotiate their choices between their personal objectives and institutional mandates and policies. Simultaneously, after years in the tenure track, they continue to be evolving as academics, whether through personal growth or by seeking changes in the academy itself. Published in English.

Inside Track to Successful Academic Writing Andy Gillett, Angela Hammond, Mary Martala, 2013-09-26 Successful Academic Writing guides students through the whole process of academic writing, developing their ability to communicate ideas and research fluently and successfully. From understanding the task and planning essays or assignments right through to utilising feedback, it will ensure students are able to get much more out of the writing process.

The Indispensable Compendium of English Grammar Self-Measurement Battery Sam Christian, 2024-09-15 This is one of the Series of Workbooks by the author intended to help foreign learners Martha Alina Layla Ayaka in their efforts of learning the highly sought scientific English Language.
