O'Leary, 2002 SERIES TAGLINE The O Leary Series is the true step by step way to develop computer application skills Its design emphasizes the step by step visual approach with screen captures for every concept *Excel 2000 Essentials Intermediate* Marianne B. Fox, Lawrence C. Metzelaar, 1999-09 For courses in Microsoft Office Professional for Windows and Excel for Windows Essentials courseware is anchored in the practical and professional needs of all types of students The series has been completely revamped as the result of extensive usability testing conducted by students with multiple levels of computer knowledge The Essentials series is conceived as a learning system that combines graphics instructions experience reinforcement and problem solving It consists of modular lessons that are built around a series of numbered step by step procedures that are clear concise and easy to review Explanatory material is interwoven before each lesson and between the steps Additional features tips pitfalls and other related information are provided at exactly the right place They are easily recognizable elements that stand out

from the main flow of the tutorial Icons are designed to match the Microsoft Office theme The end of chapter exercises have been carefully graded from the routine Checking Concepts and Terms to tasks in the Discovery Zone that gently prod students into extending what theyve learned into areas beyond the explicit scope of the lessons proper *Computer Education* ,1995 **Software Reviews on File** ,1995 *Principles of Accounting* Meg Pollard,Sherry K. Mills,Walter T. Harrison,2007 The Demo Docs System of instruction replicates the classroom experience by providing more I get it moments outside of class We ve talked to tons of POA instructors and our editors have even taken the accounting course numerous times to figure out the following issue in this course that is consistent Students understand or get it right after you do a problem in class but as soon as they leave class with each passing hour their ability to do the problems again and complete their homework diminishes to the point of them either having to come to office hours to get help or they just quit and get behind in the course On top of this you can end up getting behind in the course as well in order to keep everyone on track The Demo Docs system helps to recreate the I get it moments outside of class keeping both you and the students on track
