X Erika Lust,2011-02-20 **Good Porn** Erika Lust,2010-05-25 Porn Do you think of it as a dirty word a taboo topic something you associate with cheesy films with bad plots Filmmaker and author Erika Lust is here to change all that With the goal of making porn more accessible to women Good Porn examines the films the industry and the phenomenon It breaks away from any assumptions you may have about porn opening the door for a wholly new conversation about a medium that has too long been considered the domain of men Come on in ladies the water s just fine **Free Fall** Rae Padilla Francoeur,2010-03-30 In her memoir Francoeur discloses her discovery of a new love after nearly two decades in a relationship that won t end despite her desire to move on Francoeur succumbs to the intensely physical and stimulating relationship she finds with this new man and shares intimate details of a love affair that changes everything **Sexuality and Eroticism in a Post-pandemic World** ,2023-09-20 The cultural change denominated as the new normal goes far beyond the adaptation to habits like physical distancing limited person to person contact teleworking and self isolation established with the COVID 19 pandemic A series of significant transformations in human behavior spreads today in societies all around the world physical intimacy decreases while virtual reality expands and alterity declines while artificial intelligence emerges leading to structural reconfigurations of sex relationships gender awareness and subjectivity Sexuality and Eroticism in a Post pandemic World explores this new cultural atmosphere through twelve interdisciplinary essays questioning global governmentality and challenging the biopolitics of the new normal the administration of self control societies so politically correct that repressed desire for otherness only finds a simulation of its satisfaction with the forced abnormality outrageousness and violence of mainstream porn going from ars erotica to alternative pornography from online dating to gender fluidity from LGBTQI activism to sex life cultivation and more **The Good Mother Myth** Avital Norman Nathman,2013-12-31 In an era of mommy blogs Pinterest and Facebook The Good Mother Myth dismantles the social media fed notion of what it means to be a good mother This collection of essays takes a realistic look at motherhood and provides a platform for real voices and raw stories each adding to the narrative of motherhood we don t tend to see in the headlines or on the news From tales of mind bending panic inducing overwhelm to a reflection on using weed instead of wine to deal with the terrible twos the honesty of the essays creates a community of mothers who refuse to feel like they re in competition with others or with the notion of the ideal mom they re just trying to find a way to make it work With a foreword by Christy Turlington Burns and a contributor list that includes Jessica Valenti Sharon Lerner Soraya Chemaly Amber Dusick and many more this remarkable collection seeks to debunk the myth and offer some honesty about what it means to be a mother **After Pornified** Anne G Sabo,2012-10-26 Porn brings up a lot of negative images in our sexualized pornified culture But today a growing number of women are radically changing porn to respectfully capture the authentic sexual lives of women and men empowering and inspiring the viewer to claim her sexuality against a sexualized culture and creating a real

counterweight to pornified media and porn as it's been known. In these women's hands, porn has become a vehicle for women to explore and define sexuality on their terms, shining the light on how we can all break free from traditional gender roles and shatter erotic conventions. Tracing the movement from its inception, *After Pornified* visualizes this transformed porn to the reader in a way that no other book on porn has done so that she too can see the power and potential of this new porn by women to free our minds and bodies from the demeaning imageries of our sex in all other porn and pornified media. Porn affects us. Today women are leading the way to make those effects empowering.

**Prude** Emily Southwood, 2013-09-24 In a culture obsessed with sex, the era of Dad's Playboy is long gone. Today, endless free porn is a click away, and full frontal photos appear on sites as accessible as Twitter, yet many couples struggle with the underlying issues of pornography. Emily Southwood considered herself to be sexually liberal until her fiancé landed a job filming porn for a network reality TV show, and her whole world changed overnight. Once confident in her relationship, she suddenly felt jealous, insecure, and obsessively comparative to the porn stars her fiancé was around everyday. She was forced to confront feelings she didn't even know she had about the treatment of women in the porn industry, the hush-hush attitude toward women watching pornography, and the unrealistic expectations about sex that are often propagated by porn. *Prude* is a humorous memoir that explores why there is so little communication about porn in relationships. Southwood tells the story of her transformation from feeling sexually liberal-minded to realizing she had issues with porn and the industry her fiancé was a part of. She reveals her bizarre journey to conquer her discomfort around porn and how she ends up finding herself and ultimately fixing her relationship for good along the way.
