

The Great Debaters Discussion Questions

Directions: Please answer the following questions in full and complete sentences on a separate sheet of paper.

Main Characters: Mr. Tolson, Henry Lowe, Samantha Booke, James Farmer Jr., and Hamilton Burgess

1. James Farmer Sr. tells the incoming freshman class: "We do what we have to do, so that we can do what we want to do." What do you think that means? What things did the debate team "have to do"?
2. Mr. Tolson recites a Langston Hughes poem upon his entry in the movie. Why is this poem significant? What is the revolution he referred to that happened in Harlem?
3. James Farmer Jr. is the youngest of the students and comes from a great family with a strong educational background. Do you think that he thinks highly of himself because of this? Does he have that right? Explain.
4. The situation when Mr. Farmer hits the hog of a white man is an important scene. Why do you think that he reacted the way that he did given his status in their town?
5. When Junior comes in late and is confronted by his parents, why does he not tell of his whereabouts? What is the real reason that his father slaps him?
6. Hamilton Burgess quits the team because of Mr. Tolson's Communist affiliation. Is this fair to his team, and, more importantly, is this fair to Mr. Tolson? Explain.
7. When they debate the white school outdoors, Samantha makes the point that, "The time for justice, the time for freedom, and the time for equality is always right now." She is very emotional during this speech. Do you think her point comes across through her emotions, or do her emotions take away from the speech? Explain.
8. As they are traveling, they find themselves in the middle of a lynch mob. How does this affect Henry? How does he react?
9. When they play Howard University and Junior finally gets his chance to debate, what happens and why?
10. Why does Mr. Tolson have to stay in Texas when the team travels to Harvard? Does he make a wise decision by leaving Henry in charge? Explain.
11. Why does the team get a new topic before the Harvard debate?
12. What is the irony of Wilson being the person to help the team before the debate?
13. Were you surprised that Mr. Tolson showed up to the debate? Why or why not?
14. This movie takes place in Texas during the 1930s. Do you think the film does a good job of expressing segregation and racism? Explain by providing three examples (the lynching scene can not be one of them).
