Memories from Home Linda Weiss, 2007-04 The recipes in this book are from my mother, grandmothers, family, and friends, as well as those used in my cooking classes and television programs. In this cookbook, I am also printing the recipes kept secret until now that I have used in my personal chef and baking business. The book title, Memories From Home, is the result of something my dad said to me when an article that I had written about my grandmother appeared on an entire page in my hometown paper. He said, "You sure brought back a lot of good memories for me. And I knew that was it; it had to be Memories From Home. Thanks, Daddy. I love you." Since I have been writing for some years now, I've included stories about my childhood and stories of growing up in the place that I love the most, the south. There is no place like it on earth. And if you were lucky enough to be born here or live here now, you will understand what I mean. It is a world of gracious living and wonderful, kind people. Enjoy my friends.
