Riemer,1985 **101+ Great Ideas for Libraries and Friends** Sally Gardner Reed,Beth Nawalinski,Alex Peterson,2004 FOLUSA s Friends of Libraries U S A groups constantly produce new ideas and inventive strategies for helping libraries and their communities Here are more than 100 simple innovative and tested marketing and fundraising ideas collected from friends groups across the country

Sources of Information and Food Buying Decisions John Bissell Roberts,1943 *Teaching Chemistry with TOYS* Jerry L. Sarquis,Mickey Sarquis,John P. Williams,1995 Activity resource books teaching scientific principles in a vivid way via Lego balloons etc Contemporary American Business Leaders John N. Ingham,Lynne Feldman,1990-04-17 includes biographies of 116 people whom the authors considered historically most significant from post World War II to the present Its introduction is an excellent review of significant happenings in U S business The rise of automobile manufacturing which spawned service stations that resulted in customized auto repair shops is one example used to depict the evolution of U S industry This is an important purchase for any public academic or corporate library that has a clientele interested in current U S business Reference Books Bulletin This work contains 116 biographies of American business leaders since World War II Because many of these are multiple biographies the dictionary covers more than 150 individual business leaders The book features full scale biographies running several pages in length on leaders who were chosen specifically to illustrate major American business trends from 1945 to the present A detailed introductory essay places these business leaders within the context of the most important business trends of the time providing the reader with an in depth incisive view of the evolution of American business during a period of critical transformation The dictionary also includes a number of female and black business leaders thereby charting their contributions to American business during a time when the civil rights crusade and the drive for women s rights opened up increasing opportunities for those groups Each biography in this collection is followed by a detailed bibliography The backmatter includes a number of appendices that allow the reader to pursue biographies of business leaders according to industry company location of business operations and birthplace along with listings of black and women business leaders This volume would make a valuable addition to any university or public library collection and it would be of great use to anyone interested in business history or management
