

Hunters and Gatherers

- This is a group of people whose life is characterised mainly by the hunting of wild animals and gathering of wild fruits, vegetables, tubers and insects.
- This type of traditional rural society is probably the one whose culture is still as it was many years ago compared to other societies.
- A good example of Hunters and Gatherers is the San or Basarwa community found in Southern Africa.
- In Botswana, Basarwa live in the remotest parts of the country in the Kalahari desert while in Namibia they are found mainly in the Namib Desert which is the extension of the Kalahari Desert.
