

## 1 — Modes of Written Communication

You will be asked to write in a variety of situations for several uses or purposes. Consider each situation for all assignments. Your audience, content, objectives, and format will change from one writing assignment to another.

Which form of communication would work best in this situation?

- a. Email
- b. Memo
- c. Text
- d. Physical media, such as

## 2 — Composing Effective Messages and Documents

You are in the military and have been asked to prepare a lengthy report for a group of participants and other officials. It is critical that everything in the report be clearly understood by the audience so that the instructions being made will be well-informed and accurate. There are numerous military assignments in the report that may not be familiar to your audience.

How should you write the report?

- a. Write each assignment and report and include them in the report
- b. Explain at the beginning of the report but not use at the end
- c. Explain at the end of the report, but not use at the beginning
- d. Explain each assignment in the report but not use at the end

## 3 — Structuring an Email Message or Memo

You are drafting a new organizational policy. An executive in your department will bring it to the personnel department to be implemented.

In the memo, placement of the most important information where?

- a. In the opening
- b. In the opening
- c. In the closing
- d. In the body

All memos to be sent to the department are required. The memo will include a description of the service area for all employees of the department. The memo is currently written about that area.

How do you think you will structure the memo to best communicate your message?
