*People v. Petty, 234 MICH 282 (1926)* ,1926 144 **The Church Quarterly Review** Arthur Cayley Headlam,1887 If We Can Only BELIEVE Penny S Cosentino,2022-04-10 Penny Cosentino s latest book If We Can Only Believe Stepping into Fearless Intimacy with the Father is a collection of personal writings from the author in reflection of praise and worship to Him Much like the book of Psalms written by King David this book is comprised of personal messages poems and prayers that Penny wrote down as part of her intimate time with the Lord Each message celebrates the blessings that come with openly communicating to God on everything going on in one s life the good and the bad Called Penny s heart cries to God each message displays the bond she shares with her heavenly Father and how His statements or questions to her continue to resonate If We Can Only Believe represents the relationship with God we all can have if we allow Him to come into our hearts our time and the intricate details of our lives Once we do we will be blessed to have eternal time with God both on earth presently and in the future in heaven **Analysis of the Gospel of St. John** Lewis Hughes,1886 **The Silence of God during the Passion** Daniel Bourguet,2016-08-03 God s silence during the passion is certainly a silence towards man but in particular God was silent towards Christ in his perfect and complete humanity It is also the silence of the Father towards the Son At first sight this silence is troubling and perhaps shocking suggesting that God is in fact absent However the author invites us to go beyond this first impression and the silence turns out to be of tremendous richness overwhelming depth and surprising beauty We are invited to refocus our attention and discover what the Father is saying in a completely new way

These pages sing with love for God and our meditation of the passion narratives draws us into deep contemplation of the One they celebrate the Crucified **Thoughts for the day, notes of addresses [by various people, ed. by J.B. Stoney]. Revised Thoughts, 1887** *Elements of Personal Christianity* William Samuel Mitchell, 1921 **The Agape Road** Bob Mumford, 2000 **The 40 Day Experiment Achieving Intimacy with God** Barbara Colacchia, 2019-02-13 No one is ever so far gone into a life of sin that God cannot redeem them Likewise no one is ever so intimate with God that there isn't room for more intimacy There is always more Communion and union with Christ is what we were born for yet we convince ourselves that we can only get to a certain level of intimacy and that's it These higher levels of communion with God are set aside for other people you know those real pious ones or just pastors or just That is the lie we believe We as believers are disciples of Jesus As disciples we are to imitate Jesus Jesus demonstrated what it looked like as a man to walk in constant communion with the Father This means that it is available to us all of us no matter who you are God wants to draw near to us but we need to do our part and draw near to Him This book demonstrates how faithful God is Intimacy with God deep intimacy is available to everyone At first it may seem difficult or even impossible but the truth is that it is a tactic of the enemy to convince us that we cannot have what God died to give us that is relationship and constant communion and union with Jesus Christ the Holy Spirit and God the Father It is all available to us It is a treasure that has been given to us through salvation that is to be fully utilized in this lifetime The intent of this book is to bring many into the kingdom as well as leading those that are already in Christ into a deeper more meaningful intimate relationship with Christ This book documents a forty day journey to achieving intimacy with God taking every thought captive and submitting to God It has been to date the most powerful forty days of my life The outcome of this experiment has changed my life and it will change yours too If you have been seeking a more intimate relationship with the God head or if you have been thinking of committing your life to Christ but are just not sure then this is the book for you **The Intimate Life** Ope Rowland, 2016-11-04 God created us for intimacy Another word for intimacy is fellowship The root word is a dear one That's the word applied in John chapter fifteen as abide friends So referring to someone as a darling is saying my intimate one God has always been interested in fellowship in intimacy He made us in his image That is we share some characteristics with God One of the characteristic God has is communication Between the Father the Son and the Holy Spirit there was an intimate relationship which involves a constant communication In addition God wanted that communication in the new creature he was creating He created us in his image with common characteristics which include constant communication God came to fellowship with man there was intimacy Before now Adam was productive The assignment he was given included naming all the animals which he did However his productivity ended when God stopped fellowshiping with him When God came and discovered their disobedience and stayed away that was the end of the story of Adam The next we heard was he begat this and that and then he lived some number of years He ended his productivity The person that will get much result in life must be intimate with God Intimacy makes the

difference Fruits can only be achieved by intimacy If you do not bear fruit he will cut you away You will be as a branch cut away and left to wither off then gathered to be burnt Withering does not happen suddenly it is a gradual thing It means that some branches are already dead and we think they are still alive They still look green and still seems to have fresh leaves but it has actually started to whither off Let us just give it time Fruitfulness ends when intimacy ends Some people s intimacy have ended but they are still seeing little results because withering is a process It is advisable that before your withering shows you are engrafted back to the vine Abide is to remain in him and stay with him If you do not stay with him you cannot bear fruit You need to be intimate so that you can bear fruits so that there can be the desired results The second Adam Christ was fruitful because of intimacy Jesus made it clear that throughout his ministry that he remained in his father s love Remain talks about intimacy with the father He kept himself intimately in his father s love He maintained his intimacy with his father God is interested in our intimacy The first Adam missed it but the second Adam did not miss it Your intimacy with God is dependent on you How close you are to God is dependent on you Intimacy is a personal thing The closer you go to God the closer God comes to you God cannot be mocked it is what you put in that you get The intimacy you sense in other peoples relationship with God is a result of their investment What you have now is the output of your investment in your relationship with him You might not see the result of what you invest immediately just as withering does not show immediately Your Christian life now is a result of the level of your intimacy with God before now It is not always immediate Your experience at times is a function of your spirit picking from your reservoir However that reservoir needs to be refilled continuously Draw near to God and he will draw near to you Your productivity is dependent on intimacy and your intimacy depends on how much you are ready to meet him This book offer insight to the what why who when where and how questions of intimacy with God
