**Suffer Less in Life and Work** Vincent Dodd,2023-01-31 It can seem we are more divided than ever in many aspects of life and we too often still feel empty while pushing ourselves to keep up Suffer Less in Life and yet life is also an amazing and unfortunately short but powerful journey So yes I do find the good the humor and the laughter as often as I can My answer to the slightly differently worded question is the same but it starts with I am not always happy I have seen inside of us including myself that there is a dark place between alive and dead that we sometimes fall into for a period That place is emptiness loneliness paralyzing fear anxiety depression anger resentment jealousy even blame and many addictions It is my hope that we do not have to stay in that undead but not alive place for long We arrive there when our feelings or perceptions and sometimes the actual reality of our life hit a difficult span of more bad than good This causes the rough to cover more of our spirit than the light of goodness can illuminate In this day and time that unalive place is happening to us all too often We do have valid reasons to feel overwhelmed depressed anxious and to question human and social behaviors But you are alive and unless chronic or severe these painful aware and sensitive human experiences have the potential to enrich our lives It requires a cautious balance As pressures mount this can be difficult but acknowledging how tough and scary it all can be at times is a great healthy start
