Rielly,2013-05-04 As the United States began its campaign against numerous Japanese held islands in the Pacific Japanese tactics required them to develop new weapons and strategies One of the most crucial to the island assaults was a new group of amphibious gunboats that could deliver heavy fire close in to shore as American forces landed These gunboats were also to prove important in the interdiction of inter island barge traffic and late in the war the kamikaze threat Several variations of these gunboats were developed based on the troop carrying LCI L They included three conversions of the LCI L with various combinations of guns rockets and mortars and a fourth gunboat the LCS L based on the same hull but designed as a weapons platform from the beginning By the end of the war the amphibious gunboats had proven their worth *Epoch* ,1889 **The Great White Gods** Eduard Stucken,1934 *Forest and Stream* ,1899 *The Routledge Dictionary of Modern American Slang and Unconventional English* Tom Dalzell,2018-05-11 The Routledge Dictionary of Modern American Slang offers the ultimate record of modern post WW2 American Slang The 25 000 entries are accompanied by citations that authenticate the words as well as offer examples of usage from popular literature newspapers magazines movies television shows musical lyrics and Internet user groups Etymology cultural context country of origin and the date the word was first used are also provided In terms of content the cultural transformations since 1945 are astounding Television computers drugs music unpopular wars youth movements changing racial sensitivities and attitudes towards sex and sexuality are all substantial factors that have shaped culture and language This new edition includes over 500 new headwords collected with citations from the last five years a period of immense change in the English language as well as revised existing entries with new dating and citations No term is excluded on the grounds that it might be considered offensive as a racial ethnic religious sexual or any kind of slur This dictionary contains many entries and citations that will and should offend Rich scholarly and informative The Routledge Dictionary of Modern American Slang and Unconventional English is an indispensable resource for language researchers lexicographers and translators **Video Movie Guide 1991** Mick Martin,Marsha Porter,1990 [Field & Stream](#) ,1976-06 FIELD STREAM America s largest outdoor sports magazine celebrates the outdoor experience with great stories compelling photography and sound advice while honoring the traditions hunters and fishermen have passed down for generations [Who's who in America](#) ,1930 **Field and Fancy** ,1924 *Building* ,1907 [Voices from the Vietnam War](#) Xiaobing Li,2010-05-07 Some of this book is heartrending some of it is as gripping as a thriller and all of it will add to our

understanding of the war Booklist The Vietnam War s influence on politics foreign policy and subsequent military campaigns is the center of much debate and analysis But the impact on veterans across the globe as well as the effects on individual lives and communities is a largely neglected issue As a consequence of cultural and legal barriers the oral histories of the Vietnam War currently available in English are predictably one sided providing limited insight into the inner workings of the Communist nations that participated in the war Furthermore many of these accounts focus on combat experiences rather than the backgrounds belief systems and social experiences of interviewees resulting in an incomplete historiography of the war Chinese native Xiaobing Li corrects this oversight in *Voices from the Vietnam War Stories from American Asian and Russian Veterans* Li spent seven years gathering hundreds of personal accounts from survivors accounts that span continents nationalities and political affiliations The twenty two intimate stories in this book feature the experiences of American Chinese Russian Korean and North and South Vietnamese veterans representing the views of both anti Communist and Communist participants including Chinese officers of the PLA a Russian missile training instructor and a KGB spy These narratives humanize and contextualize the war s events while shedding light on aspects of the war previously unknown to Western scholars providing fresh perspectives on a long discussed topic Li s achievement is most remarkable for the window he opens onto the lives of Chinese and Russian veterans their rare accounts appear here for the first time in English Publishers Weekly *Box Office* ,1953
