Campbell, 2025-10-14 From the author of the bestselling Tricky Magic series comes a witchy small town forced marriage romantasy full of magical mishaps cozy chaos and a slow burn that turns seriously spicy When Lochlan and Nia wake up in a field naked hungover and magically married neither remembers saying I do and both are absolutely sure it wasn't their idea They aren't the first witches in Stella Rune to have a hand fasting mishap but this one won't be easily undone The culprit behind their accidental marriage refuses to annul the union unless they can prove beyond a doubt that they're completely incompatible Easy They do what anyone would agree to fake their way through a relationship for a few weeks make it clear they're terrible for each other earn their freedom and get back to their separate lives by Samhain But problems arise when Lochlan a disgraced prince haunted by the scars of his past finds himself falling for the secretive and fiercely independent Nia who's built walls around her heart so high no one else has dared to scale them And Nia who has sworn off love in favor of a life devoted to extortion and charitable causes can't help admiring the steadfast guarded man who stirs emotions she's never allowed herself to feel before What started as a magical mistake might turn into something real if they're brave enough to let it For fans of Accidental Forced marriage Forced proximity Magical bargain He falls first she falls harder Morally gray FMC Hidden magic systems [Living Paganism](#) Shanddaramon, 2005-10-12 In this book you will learn how to develop Pagan spiritual goals that are balanced and meaningful Every day we experience the cycles of Earth the moon the sun and the changes in life By connecting your practice to these sacred cycles you will learn to create a meaningful and magical life

Blessing Same-Sex Unions Mark D. Jordan, 2013-09-03 At most church weddings the person presiding over the ritual is not a priest or a pastor but the wedding planner followed by the photographer the florist and the caterer And in this day and age more wedding theology is supplied by Modern Bride magazine or reality television than by any of the Christian treatises on holy matrimony Indeed church weddings have strayed long and far from distinctly Christian aspirations The costumes and gestures might still be right but the intentions are hardly religious Why then asks noted gay commentator Mark D Jordan are so many churches vehemently opposed to blessing same sex unions In this incisive work Jordan shows how carefully selected ideals of Christian marriage have come to dominate recent debates over same sex unions Opponents of gay marriage he reveals too often confuse simplified ideals of matrimony with historical facts They suppose for instance that there has been a stable Christian tradition of marriage across millennia when in reality Christians have quarreled among themselves for centuries about even the most basic elements of marital theology authorizing experiments like polygamy and divorce Jordan also argues that no matter what the courts do Christian churches will have to decide for themselves whether to bless same sex unions No civil compromise
