Advances in Artificial Intelligence Cory Butz, Pawan Lingras, 2011-05-25 This book constitutes the refereed proceedings of the 24th Conference on Artificial Intelligence Canadian AI 2011 held in St John s Canada in May 2011 The 23 revised full papers presented together with 22 revised short papers and 5 papers from the graduate student symposium were carefully reviewed and selected from 81 submissions The papers cover a broad range of topics presenting original work in all areas of artificial intelligence either theoretical or applied

The Story of the Banned Book Mohamed Shoair, 2022-05-03 An award winning account of Nobel laureate Naguib Mahfouz s most controversial novel and the fierce debates that it provoked Naguib Mahfouz s novel Children of the Alley has been in the spotlight since it was first published in Egypt in 1959 It has been at times banned and at others allowed sold sometimes under the counter and sometimes openly on the street often pirated and only recently legally reprinted It has inspired anxiety among the secular authorities rage within the religious right and a drawing of battle lines among Arab intellectuals and writers It dogged Mahfouz like a curse throughout the remainder of his career led to his attempted assassination and sparked a public debate that continues to this day even after the author s death in 2006 It is Egypt s iconic novel in whose mirror millions have seen themselves their society and even the universe some finding truth others blasphemy In this award winning account Mohamed Shoair traces the story of Mahfouz s novel as a cultural and political object from its first publication to the present via Mahfouz s award of the Nobel prize for literature in 1988 and the attempt on his life in 1994 He presents the arguments that swirled about the novel and the wide cast of Egyptian figures from state actors to secular intellectuals and Islamists who took part in them He also contextualizes the interactions among the principal characters interactions that have done much to shape the country s present Extensively researched and written in a lucid accessible style The Story of the Banned Book is both a gripping work of investigative journalism and a window onto some of the fiercest debates around culture and religion to have taken place in Egyptian society over the past half century

The Muslim Brotherhood in the United Arab Emirates: Miscalculations Prof. Jamal Sanad Al-Suwaidi, 2022-06-14 Throughout history religious groups such as the Muslim Brotherhood have risen in popularity during times of crises in countries all over the world much like conservative political parties In this context pure Islam based on worship respect principles of religion and countering idolatry must be differentiated from the religion promoted by groups like the Muslim Brotherhood The group attempts to exploit religion to serve its own interests and to seize power The Brotherhood s goals may be fixed but their interests are subject to change The issue for religious groups like the Muslim Brotherhood is their belief that any criticism of them is also a criticism of religion despite the fact their ideas are merely human interpretations which can be true or false As a result the exploitation of religion has become one of the defining characteristics of our modern era There are many narratives surrounding the inception of the Muslim Brotherhood in the UAE however the correct account dates back to 1962 when Abdul Badie Saqr a Qatari citizen of Egyptian origin came to the

UAE The Qatari Brotherhood had also established a presence in Dubai in 1961 playing a major role in the establishment of the UAE's Muslim Brotherhood group When Abdul Badie Saqr arrived in the UAE he was accompanied by Yusuf Al Qaradawi Abdul Muezz Al Sattar Ahmad Al Assal and Kamal Naji The Muslim Brotherhood in the UAE followed in the footsteps of its parent group in Egypt and its branch in Kuwait While the Kuwaiti model was followed in the Arab Gulf region the Egyptian model was the superior example in both political and religious contexts
