**Dark Days for White Knights** Dick Jackson,2013-05-08 Dark Days for White Knights is the story of one Veteran s loss of innocence and his sojourn down a lonely corridor a chronicle of his quest to recover something of what he lost in Vietnam Combat veterans of every war and from every nation have been scarred by the atrocities of war However because of the rotation system implemented during the Vietnam War the veterans of Vietnam straggled home one by one to be scattered across an increasingly hostile America America seemed as foreign as Vietnam had once been but these were no longer the boys who had dreamed of serving America The dreams of many had died in the soul sucking mud of fetid rice paddies There are many novels about Vietnam most of which highlight heroic actions in combat Heroes are a part of all wars and their stories are exciting and important Vietnam was no exception The devotion the warriors shared for one another spawned many heroic actions but perhaps the important lessons from Vietnam were about personal responsibility misplaced trust and the ultimate cost of survival In that light Dark Days for White Knights is a unique perspective on a still controversial time in American history
