A note from the publisher

In order to provide our students with high quality resources for their revision and revision preparation, we have brought a team of experts together to create this book. It includes a wealth of content, including all parts of the specification which is covered in the combined science programme. Our experienced authors have worked with the Department of Education to ensure that the book meets the requirements of the specification for combined science.

Our authors have all worked in schools and have a wealth of experience in preparing high quality resources for students. This book is a result of their expertise and experience in preparing resources for the teaching of combined science.

We are confident that this book will provide a wealth of resources for the specification and the programme.
