Every Move You Make Tori Carrington, 2010-04-08 Businessman turned P I Zach Letterman doesn't expect his first case to be easy. But he never dreamed the real challenge would be keeping his hands off his sexy new partner Mariah Clayborn. This seasoned P I says she'll take Zach under her wing, promising to show him the ins and outs of the detective business. Only Zach has no idea what else Mariah intends to show him. After losing three boyfriends to marriage one week after they dumped her, Mariah Clayborn knows she has to change her image. The new Mariah is going to be seductive, irresistible, addictive, even. And gorgeous. Zach Letterman is just the man to get her there. Her plan: To offer her investigative expertise in exchange for some lessons in lust. Little does she guess she'll end up the one addicted.

Every Move You Make M. William Phelps, 2005-06-01 A New York State investigator matches wits with a devious serial killer in the New York Times bestselling author's true crime thriller. Gary C. Evans was a master of disguise and career criminal who had once befriended David Son of Sam Berkowitz. In 1989 he started weaving a web of deadly lies in Upstate New York, telling a female friend that the father of her child had deserted her. In fact, Evans had killed the man just before striking up a ten-year romance with the woman. Evans first met Investigator James Horton in 1985 when Evans snitched on a childhood friend and crime partner, failing to mention that he'd murdered him. Then two local jewelry dealers were killed. In 1997 another old friend of Evans went missing. Was Evans responsible? Horton launched a nationwide manhunt to uncover the truth. For more than a decade, Evans and Horton maintained an odd relationship, part friendship, part manipulation, with Evans serving as a snitch while the tenacious investigator searched for the answers that would put him away. After Horton used Evans to obtain a confession from a local killer, Evans led Horton in a final game of cat and mouse that would culminate in the most shocking death of all. Sixteen pages of revealing photos.

Every Move You Make Nikki Winston, 2003-10-01 Change the way you move and you can change the way you feel, the way you act, and the way you're perceived. That's the promise of EVERY MOVE YOU MAKE: Bodymind Exercises to Transform Your Life. We've long known that changing our mental or emotional focus can help change our physical state, think of stress management for patients at risk for heart attacks or visualizations to improve athletic performance. It's the mind-to-body connection, and it's something that's readily accepted in today's world. Less well explored is the other side of the equation, the relationship between body and mind. Change your physical state and you can change your mental or emotional focus, change the way you move in deliberate, carefully prescribed ways that re-pattern your body, and you can re-pattern your mind, emotions, and spirit in ways that let you live your life more fully, more authentically, and more joyously. Every Move You Make gives you practical tools in the form of ten basic movements that help stimulate and support changes you need to make your life work better. Also included are several partner exercises to improve the quality of your relationships. The movements are easy and relaxing to do and are illustrated in photographs throughout the book. Chapters address different aspects of life: self-image, stress, career, creativity, relationships, sexuality, anxieties, and compulsions.
