The Well-Armored Child Joelle Casteix, 2015-09-15. Protecting your child from sexual abuse can be as easy as opening a book. Author Joelle Casteix has filled the need for an easy-to-read toolkit for parents when it comes to preventing childhood sexual abuse. When her own child was born, she was deluged with tomes that covered everything from breastfeeding to choosing the right college. But one book was noticeably absent: It's the book that can help parents take action to prevent their child from becoming another statistic. *The Well-Armored Child* gives parents the tools and strategies to understand how predators groom children, why many of our trusted institutions cover up abuse, and how to empower children without shame, fear, or inappropriate discussions of sex.

Legacy of Lies Martine Daniel, 2011-06-01. Fifteen years ago, Luci's mother committed suicide, leaving behind a legacy of lies that Luci is still struggling to uncover. Now a year after Luci was left reeling by the twin revelations that she had bipolar affective disorder and that the grandfather she had thought was dead was still alive, she finally feels ready to meet her grandfather for the first time, hoping that he will be able to shed light on the secrets of the past. But Walter's reaction to Luci's visit raises more questions than it answers, and it is only after his death that Luci is able to discover the tragic truth which shocks her to the very core of her being. *Legacy of Lies* is a heart-rending story that stretches back over several generations, unveiling the deplorable state of psychiatric care in the early twentieth century but which ultimately offers a message of hope for those suffering from mental illness today and their families.
