The Chicago Way Don Herion, 2010-03-27 Traffic Tickets What a Pain Every police officer is issued a traffic summons book when he is assigned to a district The supervisors have what we used to call a quota on tickets issued When an officer is assigned to the traffic division he is expected to write at least eight moving violations a shift But that is all he has to do he doesn't handle any crime scenes or domestic disturbances or whatever else comes along On occasion he has to handle a traffic accident but that's about all Don't get me wrong I hated to write tickets especially moving violations like red lights speeding or no left turn Parking tickets were also a pain in the ass all they accomplish is that the poor soul that gets the ticket now hates you I guess that they are a necessity though and maybe in some way they help keep drivers from getting too crazy behind the wheel of their car or truck Personally I would rather be out in the street locking up bad guys and harassing gang bangers Some of these traffic guys really like working traffic giving out their quota of summons and putting a few drunk drivers in jail before they kill somebody or themselves People that get stopped by the police for a traffic violation really come up with some original excuses I remember an elderly lady that we stopped for driving the wrong way on a one way street This violation is usually an open and shut case When I asked her for her driver's license and explained why we had stopped her she called me a liar and asked why wasn't I out chasing down dope dealers or communists instead of bothering a woman alone in a car trying to get home

20 DON HERION No matter what I said to her she had a look of hate in her eyes and if she had a gun she would have shot me dead When I began opening the summons book to write her the ticket she pulled an acting job on me that was a beauty The first thing she did was to roll her eyes up in her head and then grab her heart like she was going to have a heart attack right there Well needless to say she hit the right button and her act worked Even though I knew she was probably

faking it I didn't want to take a chance of her dropping dead in front of me I asked her if she needed an ambulance or wanted to be taken to the nearest hospital She said that she only lived two blocks from there and that her heart pills were in her bathroom She explained that if she got them she was sure to be OK Well at this point I was pretty aggravated and couldn't imagine myself giving this wacky broad mouth to mouth resuscitation if she was telling the truth Of course I told her that we would be glad to drive her home if she couldn't drive She said no that she felt better and she thought that she could drive home OK I said OK lady under the circumstances I won't give you a ticket this time but that you had better be more alert in the future I just knew that I made this old broad's day when she thought she really bullshitted me about the heart attack To top it off when she was driving away she winked at me and said Thanks Officer have a nice day The best part of all is when I got back in the squad car my partner Bob was just shaking his head and laughing It seems that he had stopped this old witch in the past for doing the same thing and she pulled the heart attack routine on him too He admitted that he didn't want to take a chance and have the old broad drop dead on him either and gave her a pass The thing that got him was when her eyes went up in her head and all he could see was the whites of her eyes Later on we talked to a few of the other guys that were working in that part of the district and they all had stopped her for doing the same thing driving the wrong way on a one way street They all witnessed her heart attack routine and none of them gave her a ticket I thought your day will come you old bitty Not only will I give her a ticket
