Research Paper: The Effects of social media on Politics

Introduction

Social media and politics go hand in hand, especially in the digital age of the 21st century, where everyone has the world at their palm. Politics, in the past, was only designated to politicians as the role of people was only for voting purposes, but not for the current issues. Now due to the advent of social media, things have changed for all the spheres of life, whether sports, education, health, entertainment, or politics. Social media has become a powerful tool that is utilized by the general public to voice out their concerns and share their political stance instantly.
