Human Resource Management, 10th Edition Raymond J. Stone, Anne Cox, Mihajla Gavin, 2020-12-14

The new edition of Raymond Stone's Human Resource Management is an AHRI endorsed title that has evolved into a modern, relevant, and practical resource for first-year HRM students. This concise 14-chapter textbook gives your students the best chance of transitioning successfully into their future profession by giving them relatable professional insights and

encouragement to exercise their skills in authentic workplace scenarios. Complementary to your courses with well-written conceptual content, Stone's 10th Edition will save you research and assessment prep time with a host of case studies that cement learnings and get students thinking critically. *Managing Human Resource And Industrial Relations* Tapomoy

Deb, 2009 Human Resource Management Robert L. Mathis, John Harold Jackson, 2003 This market-leading text takes a pragmatic approach, emphasizing the strategic role of human resources. Comprehensive, research-based coverage includes all major topics identified on the Human Resource Certification Institute's Content Outline. Coverage includes a global chapter, expanded coverage of diversity, new material on performance management, and current hot topics such as self-directed work teams, shamrock organization, broadbanding, competency-based pay systems, job security, violence in the workplace, and how organizational commitment affects production quality and service. Human Resource Management David G.

Collings, Geoffrey Wood, Leslie T. Szamosi, 2025-06-06 Written by an international team of respected scholars, *Human Resource Management: A Critical Approach*, 3rd edition, adopts a critical perspective to examine the core management function of human resource management (HRM) in all its complexity, including its darker sides. Despite over three decades of debate around the nature of HRM, its intellectual boundaries, and its application in practice, the field continues to be dogged by several theoretical and practical limitations. This textbook opens with a critique of the very concept of HRM, tracing its development over time and then systematically analyses the context of HRM practice from international perspectives on HRM. New chapters commissioned for this third edition examine HRM and consider issues including diversity and inclusion, employee well-being, digitalisation, and AI, sustainable HRM, and gig work and job deconstruction. This textbook is

essential reading for advanced and inquisitive students of HRM and for HRM professionals seeking to deepen their understanding of the complexities of their field *Human Resource Management* Sean R. Valentine, Robert L. Mathis, Patricia Meglich, John H. Jackson, 2023-10 Prepare for HR and career success with the book that has set the standard for excellence in human resource management Valentine Meglich Mathis Jackson's HUMAN RESOURCE MANAGEMENT 17th EDITION offers today's most current look at HRM and its impact on the success of organizations today A leading resource in preparing for professional HR certification this edition ensures you are familiar with all major topics for professional examinations from the Society for Human Resource Management and Human Resource Certification Institute You examine the latest HR research as well as HR theory in contemporary practice This edition highlights emerging trends driving change in HRM today including ethics technology globalization competencies and HR metrics Accompanying MindTap digital resources offer a personalized online learning platform with a tailored presentation created by your instructor
