

Paper 2

A summary of Section B

This is the same format as Q1 on your American section of paper 1

1. Explain two ways in which _____ was different /similar to _____ (6 marks)
2. Explain two causes of the _____ (8 marks)
3. How far did X change between the period _____ and _____ (16 marks)

This is the same format as Q2 on paper 1

Normal essay but focus on change!

- This exam tech for this topic is **nothing new**. No new skills are needed, it's just a recycling of what you already know.
- Even better this topic essentially contains a combination of the **various questions** from paper 1 and paper 2.
- There are no source questions! Just **2x 2 paragraph questions** and **1 x a standard knowledge essay**.

QB structure template

How far does Source F support the evidence of Source G about...

Source F **supports** the evidence of source G because both sources discuss/refer to/highlight/state _____
 Source F states that _____ while Source G states _____
 Therefore they both agree on _____

Support must come first!

However Source F **does not fully support** the evidence of source G because they have different experiences/perceptions/opinions on _____
 Source F states that _____ while Source G states _____
 Therefore they disagree on _____

You should try to do **3 solid paragraphs** either 2 on support and 1 on does not support or vice versa.

ONE MORE PARAGRAPH OF YOUR CHOOSING - support or does not support

In conclusion, Source F _____ly supports the evidence of Source G about the progress of women because _____

This carries 2 marks! **DO NOT FORGET YOUR ANSWER!**

Edexcel History IGCSE – Paper 2

Exam technique Masterclass

QC) Top tips for a 16 mark question:

How far did X change between the years _____ and _____?
 This may use the following in your answer

- Point 1
- Point 2

Your essay should follow the burger model and include 1600 words

Step 1 - Introduction using the words of the question. Background knowledge on the topic + a hint of your opinion (thesis statement).

Step 2 - Main body - 3-4 paragraphs on 2 factors relating the question. These should follow the PEEL structure and include specific detail and explanation.

Step 3 - Conclusion - explain your final judgement (based on the evidence of your own knowledge and the sources).

- Each paragraph should begin with a clear argument which sets the reader what your paragraph will be about. This is also the **POINT** element of your factor e.g. One of the main reasons for Hitler's rise to power was his oratory skills.
- Support your point with **EVIDENCE**. Include **specific** key details such as dates, names and places and remember to **EXPLAIN** and **LINK** back to the question.
- **EXPLAIN** how the factor answers the question. If the question is causation then we know your factor caused it (we know/could). If the question is about impact, tell us how your factor had it impact on it. Again similar to Q2 there are **resources for you online** www.edexcel.org.uk/qa/qa-top-tips-about-the-16-mark-essay-of-the-topic
- **LINK** your factor back to the question. This is like a **you see, remember/conclusion** e.g. Therefore Hitler's oratory skills were fundamental in his rise to power as it enabled him to garner an enormous amount of support and confidence of the German population which led to the NSDAP being the largest party in the government.
- Try to do a **minimum of three paragraphs** if you can. If you can (making sure you cover each side, though it does not matter if they are unequal).
- In the conclusion you **must** offer a **judgement** which is supported by evidence.

QA) Top tips for a 6 mark question:

Describe two features of the _____

Step 1 - Paragraph on one key feature of the event in question

Give evidence in the form of **specific details** and **extend your explanation and descriptions** as much as possible

Step 2 - Paragraph on a second key feature

Give evidence in the form of **specific details** and **extend your explanation and descriptions** as much as possible

- For **each key feature** you need evidence that is **specific and accurate**. This means key names, dates, places, statistics, etc.
- Make sure **your points are different enough** that they fulfil the criteria of '2 separate features'. Do not re-explain the same feature twice or pick something that could be seen as more or less the same as the first feature you picked.
- **Do not do a third feature** just to be safe. If the question asks for two, just do two well and use your time elsewhere.
- You **must** do **two features** to get **over half marks**.
- This question **does not require a conclusion**.

Mathmateics Edexcel Paper 2 4 March 2013 Answers
