Re: AMESA Report of the Maths & Maths Literacy Examination Papers

On behalf of the National Council of the Association for Mathematics Education of South Africa (AMESA), I would like to commend the Department of Basic Education for the wonderful support afforded the Grade 12 learners and their teachers in the 2011 academic year.

I would also like to make a formal submission of the AMESA Report of the Mathematics and Mathematics Literacy Examination Papers 1 & 2 that were written by the Grade 12 learners on the October and 31 November 2011 respectively.

The purpose of the report is to provide constructive feedback to the Department of Education in the spirit of promoting Mathematics education and enhancing the quality of the teaching and learning of Mathematics in South Africa. The report will cover specific comments on each paper focusing on the following aspects:

- A. Overall Review
 - 1. Technical Aspects (typing; diagrams; etc)
 - 2. Language used and compliance with the cognitive levels of thinking
 - 3. Curriculum coverage
 - 4. Comparison with 2010 papers
 - 5. Overall Observations
- B. Question by Question Analyses

It is our hope that the report, especially the question by question analyses will be useful to the Examiners, Markers and Moderators in our attempt to promote the high standard of Mathematics education in our country.

Many thanks

Elspeth Mmatladi Khembo
AMESA National President
